enigmatic penetrating glare that is as typical of Jonathan Kaplan as his silver grey patch of hair In *Call It Like It Is* Kaplan describes exactly what it takes to be an international rugby referee his gradual climb to the top the sacrifices he had to make in his personal life his struggle with injuries and rugby management the toll an itinerant lifestyle exacted upon him and much much more But this is not only an autobiography Kaplan also offers his opinion on the role of technology in rugby dissects his own successes and failures debates the selection and assessment of referees and yes gives his take on the 2011 Rugby World Cup and the Bryce Lawrence affair Containing all the guts and glory you d expect from an epic rugby tale this is also the frank and forthright account of a man who both in life and on the pitch would only ever call it like it is *Women Agency, Culture, and Crime in Education* Phinias Tafirei, 2023-12-08

In the recent times women agency in African circles has become a contested issue with some arguing that women in African traditional societies lack agentic power including the power to make independent decision The issue has become even more contested in education where culture meets face to face with agency in all its forms In an attempt to get to the bottom of the subject in question this book examines using empirical data from the field an often hidden crime acquaintance rape which for many years has been allowed to spread its tentacles in Africa s institutions of higher education This is to say acquaintance rape has been practised unconsciously in many cultures thereby undermining the agentic power of women in these cultures The book adopts institutions of higher education in Masvingo Province heretofore referred to as Masvingo of Zimbabwe to assess factors affecting students in higher education s perceptions of acquaintance rape The population for this book consisted of students educators and other staff members in institutions of higher education in Masvingo The book reveals that culture gender peer pressure policy and legislation or law affect higher education students perceptions of acquaintance rape The book also establishes that college authorities non academic staff and students have inadequate knowledge of how to effectively manage or deal with acquaintance rape cases due to inadequate policies legislations or laws governing students behaviour in higher education A model to reduce acquaintance rape is proposed It recommends that all institutions of higher education should introduce acquaintance rape prevention and reduction programmes peer education programmes acquaintance rape reduction techniques and acquaintance in the curriculum *Moto* ,2003 *Look at Me* Lucie Pavlovich,2008 **Unisa English Studies** University of South Africa.
