"Granny's Chapters" - on Scriptural Subjects. (First, Second Series.). Lady Mary Ross, 1871      **1 & 2 Kings** Lynn Jost, 2021-11-02 Violence on the streets Military expansion Consumerism Policies exploiting people and natural resources Harassment and abuse 1 2 Kings could hardly be more relevant In the thirty fourth volume of the Believers Church Bible Commentary series Old Testament scholar Lynn Jost claims 1 2 Kings were written to form a community that would embrace the Ten Commandments and the Great Shema and would champion righteousness and compassion Jost traces the characteristics of royal justice with its systems of excess and indulgence as well as the court intrigue succession politics interfamily rivalries and prophetic judgment that mark the books Through it all Israel remains in a covenant relationship with a delivering God Through it all God calls the leaders and the people to practice justice protect shalom and live righteously In vivid and accessible prose Jost invites pastors scholars and lay readers to read 1 2 Kings as books of promise ones that gesture toward a faithful God who rescues judges commands and provides About the Believers Church Bible Commentary series This readable commentary series is for all who seek more fully to understand the original message of Scripture and its meaning for today Sunday school teachers members of Bible study groups students pastors and other seekers From the Series Foreword      PRAYER STUDY COURSE SERIES ISAAH MACWEALTH, For hundreds of years the subject of prayer has been one with divergent views opinions and ideologies one that has engendered great dissention in the body of Christ with respect to its methodology and practices However what cannot be denied is the timeless passion and ageless desire in every man to communicate with a higher power and to initiate changes in every area of life This desire in man can be expressed in and through prayer but what is prayer Is prayer just talking to God as popularly defined If prayer is simply talking to God what would we call casting out devils and binding Satan Despite the fact that many people seem to pray why are so few getting the results Are there principles or rules that guide prayer Are there factors that hinder effectivity in it This book does not only seek to answer these questions above but to introduce new concepts in prayer that will create new prayer experiences It also seeks to explore the concept of prayer with the intention to break previous erroneously established boundaries that hinder its effectiveness and to equip the end time believer with the necessary understanding and light required for an effective prayer life and to ultimately equip the church in enforcing its rights and privileges in the place of prayer My heart desire for you as you read this book is that a fresh understanding and passion for prayer will be birthed in your spirit and that you will take your place in prayer for the body of Christ thus fulfilling the ministry of our Lord Jesus Christ on the earth Amen      Old Testament Narrative Jerome T. Who or what were Adam Noah and Elijah Where they real or imaginary What exactly was Creation Did something really happen sometime around 4 000 BC as the Bible tells us What exactly was leprosy Why is the Islamic world in turmoil after centuries of quiescence Are the mass uprisings democratic movements against tyrannical regimes or fanatical drives to promote the spread of Islam or is there something else far more sinister at play Adam to Apophis provides answers to all of these questions For millennia major religions have held the unflinching belief that at some future point the world will once more enter an end time phase According to Islamic Hindu Buddhist Jewish and Mayan reckoning that end time phase is this current century Christianity also holds the same belief During such phases the earth has been subjected to airbursts and meteoric impacts which in turn have spawned decades long sequences of major environmental traumas in the form of extreme weather volcanic eruptions massive earthquakes and tsunamis This future phase is itself part of a larger cycle to which the Earth has been subjected a number of times during the past 6 000 years resulting each time in worldwide societal collapse Religious or mythological texts exist which feature fantastic creatures and long lived superhuman beings The records have been fastidiously preserved for millennia Jewish and Chinese texts have preserved associated chronologies However these ancient chronologies have been repeatedly discounted or ignored by modern scholarship In the past few decades science has built up its own independent chronology of the earth s recent past by means of dendrochronology ice cores ice rafting sedimentology volcanology and astronomical retro calculations These now provide us with a tangible record of climatic and terrestrial traumas stretching back thousands of years At first sight the two disciplines would appear to be in total opposition the one seemingly relying on faith and fabricated evidence and the other on scientific reason and hard fact Given therefore the seeming polarity one would therefore expect to find little if any synchronicity between the two What happens if we overlay the templates Modern science has recently discovered an important earthly traumatic cycle known as Bond Events which occur every 1400 1500 years The religious texts also clearly display knowledge of this cycle Islam for example holds the belief that it will only last some 1400 1500 years Adam to Apophis demonstrates that the concept of millenarianism is no idle fantasy but ultimately rests upon a firm foundation of real physical traumas The book traces this primary cycle in stages back from the present day to Bond Event 1 the advent of Islam in the 6th century AD when there was massive terrestrial and social upheaval worldwide Bond Event 2 the 9th century BC where we discover the same pattern In the Bible this is represented by the Elijah cycle of stories which focus upon a hitherto unidentified massive volcanic eruption in Arabia but with clear evidence from regions as far afield as China that the trauma was worldwide Bond Event 3 Noah s Flood his true identity and the real location of the Ark still a major religious site comprising the largest cemetery in the world with millions of bodies buried there The identities of the Chinese Emperors Yao Shun and Yu and a second impact site Piora Oscillation Death of Adam The Nephilim The Chinese Flame Emperors The Mahabharata and Krishna Bond Event 4 5 9 Kiloyear Event The true nature of Creation the identity of Adam the Ramayana and the Burckle Crater Adam to Apophis is an

original and compelling work It will be of indispensable interest not only to scientists and academics in a variety of disciplines but also to the layman of whatever or no religious persuasion      **Watson's Weekly Art Journal** ,1869
