The data and any other information contained herein ("Embraer Data") are only and exclusive property of Embraer S.A. and they cannot be disclosed without the previous consent of Embraer S.A. The use of the Embraer Data is exclusive for the specific purpose of training which is merely informative and any other use of Embraer Data is expressly forbidden. Embraer does not represent or endorse the accuracy or reliability of any advice, opinion, statement, recommendation, guidance or any other information displayed or established herein. Nothing contained in this authorization shall be deemed to diminish or eliminate any right or remedy Embraer S.A. may have at law or in equity.

This manual is issued by Embraer Customer Training and SHALL BE USED FOR TRAINING PURPOSES ONLY. The data contained herein, although its update to the revision date, does not replace or supersede the information contained in the Embraer ERJ-170/195 (GE CF34) airframe or engine maintenance manuals or other official publications.

This Maintenance Training Manual (MTM) contains all necessary information to fulfil the needs as a printed/electronic publication to support the theoretical training activities in aircraft maintenance training. Where possible, duplication of information has been avoided, however, certain data may be repeated where it has been necessary to include such data to preserve the continuity of subject matter.

This edition of the Maintenance Training Manual is based on the last version of Embraer Technical Publications. No further revisions will be added to this current issue, if printed.

MANUAL STRUCTURE

All manual contents are organized as follows:

TITLE PAGE

A title page with its identification as "Training Manual" and copyright information.

FRONT MATTER BLOCK

The purpose of the front matter block is to explain the way this manual is organized, and to inform which publications were used as source of information.

TABLE OF CONTENT

The table of content shows a list of relevant items/pages contained in the actual volume in an "Index" format.

CHAPTER DESCRIPTION BLOCK

The chapter description block has the technical information derived from the Embraer Technical Publications and follows the modularity concept, thus its contents may vary according to the course purpose (rating and the applicable training level).

It is organized in a didactic manner to facilitate the learning process with rearranged sequence of the applicable sub-chapters.
