She knows you very well even if you do not know her. She is the one taking good care of you always. Why did the Boer Nation lose its two independent states in 1902? How did this happen and who should be blamed? Satan used the name Jesus to draw all prayers to himself thereby abusing our worship of Jesus. This is all upside down and hidden right in front of our faces where we don't even see it. This is why the Goddess planned for tribulations to take place soon so humanity can get our chance to fulfill our destiny. Otherwise Satan, Lucifer and his friends will never stop trouble making. Now is our only time to turn things right and grow into being multidimensional again so there can be no more lying to us. We Boers want our two Republics returned to us right now where we can live freely and govern ourselves. Thanks to the Goddess who will make all this happen as prophesized. [Dawn of Truth](#) No Author Leonard,2012-01-25 This book challenges current beliefs about God and religion with particular emphasis upon misconceptions popularized by the Christian religion. The common belief that a God of good is at war with a powerful fallen angel of evil wherein God imposes irreconcilable punishment upon those who fail to accept a particular set of dogma as being the only acceptable truth is shown to be not only false but in conflict with the very nature of God and Its inspired teachings. Dawn of Truth begins with an examination of contemporary beliefs about God offering an alternative view that is capable of satisfying the skeptical and scientific mind. It goes on from there to propose a plan or intention of God that provides a believable explanation for the cause of suffering in the world revealing the true purpose of religion and philosophy as they relate to soul development. Perhaps the most controversial subject dealt with in this book is the multi dimensionality of soul describing mankind as an expression or extension of God rather than as a totally separate entity. Within this paradigm all that exists is but a manifestation of the One separate only in its temporary state of illusion or limited perception. In Dawn of Truth the author draws from his own personal experiences or ascents into higher states of awareness to disclose the many truths misunderstood or denied by the world's major religions. The author reveals how all people regardless of religious affiliation can apply the universal truths taught by enlightened masters to escape their present state of suffering and fear and move
