

The background of the book cover is a photograph of a modern building's exterior. The building features a prominent vertical garden facade, which is a wall covered in a dense, multi-layered arrangement of various green plants, including ferns, succulents, and leafy greens. The building's structure is visible through the foliage, showing dark brown or black metal frames and large glass windows. The sky is visible through the windows and the top of the frame. The overall image conveys a sense of sustainability and integration of nature with urban architecture.
