

Readers' Theater Fractured Fairy Tale: Cindy Rella

This Middle School Readers' Theater script will spark fun and chuckles in both drama and ELA classes. It gives grades 5-8 students high interest practice in reading aloud, comprehension and writing. After completing the script they will write an additional scene, AND make a 'pitch' to promote a fractured fairy story of their own. There's even a quick mystery about a missing item for them to solve!

Cindy Rella is obviously based on the children's tale. In this 21st century re-telling of the classic story Cindy does indeed live in an unhappy home where there is far too much concentration on cleaning, but it is the shoe obsessed Cindy (forever buying shoes from Amazon) who is the bully. Only her Godfather knows the unhappiness and envy that causes Cindy to behave badly. Cindy goes to the ball and meets Hans Summ, singer of the best-selling band the Charmers, yet the tale ends differently from the way your students will anticipate. The script is intended for 9 readers, but the number of readers can easily be contracted or expanded, depending on how many groups you wish to have.

After finishing the script students have to discuss and write on five questions, do a script writing task, write a fractured story plot pitch AND perform a fun jokes activity.

Quick peer and self assessment forms are provided, and a reading rubric for easy marking.
