Fragments Poems Intimate Notes Letters:

Fragments Marilyn Monroe, 2010-10-12 Marilyn Monroe's image is so universal that we can't help but believe that we know all there is to know of her. Every word and gesture made headlines and garnered controversy. Her serious gifts as an actor were sometimes eclipsed by her notoriety and the way the camera fell helplessly in love with her. But what of the other Marilyn? Beyond the headlines and the too familiar stories of heartbreak and desolation was a woman far more curious, searching and hopeful than the one the world got to know. Even as Hollywood studios tried to mold and suppress her, Marilyn never lost her insight, her passion, and her humour. To confront the mounting difficulties of her life, she wrote. Now for the first time we can meet this private Marilyn and get to know her in a way we never have before. *Fragments* is an unprecedented collection of written artifacts: notes to herself, letters, even poems in Marilyn's own handwriting, never before published, along with rarely seen intimate photos. These bits of text, jotted in notebooks, typed on paper, or written on hotel letterhead, reveal a woman who loved deeply and strove to perfect her craft. They show a Marilyn Monroe unsparing in her analysis of her own life but also playful, funny, and impossibly charming. The easy grace and deceptive lightness that made her performances so memorable emerge on the page, as does the simmering tragedy that made her last appearances so heartbreaking. *Fragments* is an event, an unforgettable book that will redefine one of the greatest stars of the twentieth century and which, nearly fifty years after her death, will definitively reveal Marilyn Monroe's humanity.

Marilyn Monroe: Fragments Poems, Intimate Notes, Letters, 2010 *Marilyn Monroe* Charles Casillo, 2024-07-02 This book is a revelation. Casillo's Marilyn made me feel a level of identification and understanding that was devastating and thrilling. Mary Gaitskill, national bestselling author of *Bad Behavior* and *The Mare*, says Marilyn Monroe's beauty still captivates, her love life still fascinates, and her story still dominates popular culture. Now, drawing on years of research and dozens of new interviews, this biography cuts through decades of lies and secrets and introduces you to the Marilyn Monroe you always wanted to know: a living, breathing, complex woman, bewitching and maddening, brilliant yet flawed. Explored through the lens of new interviews and meticulous research, Marilyn Monroe unveils Marilyn's story against the backdrop of pre-feminist times. Experience her journey from a distressing childhood to the pedestal of stardom, eloquently explaining her pursuit of ambition in the face of a continuous struggle with bipolar disorder. Each phase of her life, marked by celebrated love affairs and heartrending tragedies, is a stepping stone towards immortality. The tell-all narrative includes eye-opening revelations from the concealed, compassionate act of Elizabeth Taylor towards Marilyn to her lost semi-nude love scene with Clark Gable and chronicling the few nights before her death with Warren Beatty, where she divulges her despair during their fateful encounter. This biography fleshes out the icon, telling Monroe's tale in great and often harrowing detail and showing how the notorious blond pin-up was smarter and shrewder than most realize, yet just as tragic as we knew. *New York Post*: A worthy addition to the Monroe canon. *Booklist*: A well-written examination of the mystique of a woman who still fascinates. *Publishers Weekly*: A deep dive.
