Wilmot, 2016-11-11 This book considers the scope and dynamics of Education for Sustainable Development ESD and learning
in schools in Africa It explores the conditions and processes that support such learning and examines how ESD in schooling
can improve the quality and relevance of education The quality of education has been defined internationally as a key
concern for educational institutions around the world including schools in Africa The models of quality are often limited to
performance based approaches and or inclusive approaches The contributions in this book show that there is more to a
discussion on educational quality in Africa than performance success and or inclusion The chapters explain how ESD brings a
new relevance to education in Africa and at the same time sounds the beginning of a new concept of quality education The
volume presents a collection of experiences in creating and supporting quality learning processes through a variety of ESD
practices **OECD Territorial Reviews: The Gauteng City-Region, South Africa 2011** OECD, 2011-11-10 Against the
