## Guides and Tips for a Successful Paper

|                         | Evaluation Essay                                                                             | Review                                                                                                                           |
|-------------------------|----------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| <b>Purpose</b>          | To do an in-depth analysis and thoroughly evaluate the topic.                                | To give a general summary and brief commentary.                                                                                  |
| <b>Writer's opinion</b> | The writer should confirm his/her opinion by evidence.                                       | It is totally based on the writer's opinion without supporting facts.                                                            |
| <b>Main body</b>        | You have set criteria to evaluate the topic, give judgments, and support them with evidence. | It depends on the type of review, but generally, you have to present key points with examples, discuss strengths and weaknesses. |
| <b>References</b>       | You may provide some references used for judgments.                                          | No references are needed.                                                                                                        |
