Education Pack "all different - all equal" 2021 Rui Gomes, Anca-Ruxandra Pandea, Patricia Brander, Laure de Witte, Gavan Titley, 2021-11-22 It is easy to say I have no prejudices I m not racist so it has nothing to do with me I didn t invite those refugees It is hard to say I may not be to blame for what happened in the past but I want to take responsibility for making sure it doesn t continue in the future The Education Pack all different all equal was originally produced in 1995 as an educational resource for the European youth campaign against racism antisemitism xenophobia and intolerance Soon after its publication it became a reference work for those involved in intercultural education and training with young people across Europe and beyond Translated into many languages it remains today one of the most successful and most sought after publications of the Council of Europe The usefulness of the pack stems from the variety and creativity of the methodologies proposed More than twenty years after the all different all equal campaign the role plays simulation exercises case studies and cooperative group work that it proposes remain an inspiration to many youth workers trainers teachers and other people actively involved in intercultural education European societies continue to suffer from a growth of racist hostility and intolerance towards minorities and foreigners the necessity for intercultural youth work remains undiminished and the relevance of this pack remains unquestionable Little bit has been changed in this new edition of the pack apart from an updating of references Most changes are visible and usable only in the online version which offers relevant links with other resources for human rights education which continue the legacy of the campaign equality in dignity and rights respect for broader appreciation of diversity

Education Pack "All different - All equal" 4th edition Rui Gomes, Anca-Ruxandra Pandea, Patricia Brander, Laure de Witte, Gavan Titley, 2024-10-01 An invaluable education pack proposing resources and activities for education and action with young people against racism and discrimination It is easy to say I have no prejudices or I m not racist so it has nothing to do with me It is much harder to say I may not be to blame for what happened in the past but I want to take responsibility for making sure it doesn t continue in the future Many young people in Europe and beyond defied the pandemic and took to the streets in 2020 to express their sorrow and their anger in the aftermath of George Floyd s death in Minneapolis at the hands of a white policeman This also served as a wake up call to the daily systemic and sometimes structural forms of racial discrimination which are visible across Europe expressed in hate speech or outright physical violence and which target people on the basis of their characteristics or identity including age colour of skin disability ethnicity gender legal status nationality origin race religion and belief sex and

sexual orientation Youth leaders and human rights activists turned to the Council of Europe the guardian of human rights in Europe for responses support and in particular what the youth sector could propose A consultation with youth workers and specialists in human rights education concluded that part of the response has to be educational The rise of populist nationalist and xenophobic ideas and discourse must also be countered through democratic citizenship and human rights education including anti racism education and intercultural learning Education remains an important antidote to racism and prejudice This manual was originally produced in 1995 for the European youth campaign against racism antisemitism xenophobia and intolerance It has been updated and extended to reflect the kaleidoscope of racial discrimination in Europe today and the mutations of racist discourses and ideologies It contains basic information and hands on non formal education methodologies for supporting young people in learning about and addressing prejudice and its impact on people and societies
