**Gangland Robbers** Susanna Lobez, James Morton, 2016-08-29 Robbers have always seen themselves as the cream of the underworld at the top of the criminal aristocracy both in and out of prison Gangland Robbers follows the stories of the men and women who go to great lengths to organise heists which if all goes well will keep them in luxury for many years if not for life If their plans fail then often it is another sort of life Bestselling Gangland authors Morton and Lobez cover the best stories of the past 200 years from the tunnel digging burglary of the Bank of Australia in 1828 through to the hold ups of the bushrangers Squizzy Taylor and his crew the train robbers of the 1930s Jockey Smith Mad Dog Cox the ill fated Victorian Bookie Robbery as well as the less well known Angel of Death The Pushbike Bandit and The Gentleman Bandit Gangland Robbers explores the lives their own and others that these bandits ruined those who went to the gallows and the very few who redeemed themselves Justice in Conflict Mark Kersten, 2016-08-04 What happens when the international community simultaneously pursues peace and justice in response to ongoing conflicts What are the effects of interventions by the

International Criminal Court ICC on the wars in which the institution intervenes Is holding perpetrators of mass atrocities accountable a help or hindrance to conflict resolution This book offers an in depth examination of the effects of interventions by the ICC on peace justice and conflict processes The peace versus justice debate wherein it is argued that the ICC has either positive or negative effects on peace has spawned in response to the Court s propensity to intervene in conflicts as they still rage This book is a response to and a critical engagement with this debate Building on theoretical and analytical insights from the fields of conflict and peace studies conflict resolution and negotiation theory the book develops a novel analytical framework to study the Court s effects on peace justice and conflict processes This framework is applied to two cases Libya and northern Uganda Drawing on extensive fieldwork the core of the book examines the empirical effects of the ICC on each case The book also examines why the ICC has the effects that it does delineating the relationship between the interests of states that refer situations to the Court and the ICC s institutional interests arguing that the negotiation of these interests determines which side of a conflict the ICC targets and thus its effects on peace justice and conflict processes While the effects of the ICC s interventions are ultimately and inevitably mixed the book makes a unique contribution to the empirical record on ICC interventions and presents a novel and sophisticated means of studying analyzing and understanding the effects of the Court s interventions in Libya northern Uganda and beyond Dreamers and Schemers Frank

Bongiorno,2022-11-01 A landmark book the first full political history of Australia In this compelling and comprehensive work renowned historian Frank Bongiorno presents a social and cultural history of Australia s political life from pre settlement Indigenous systems to the present day Depicting a wonderful parade of dreamers and schemers Bongiorno surveys moments of political renewal and sheds fresh light on our democratic life From local pubs and meeting halls to the parliament and cabinet from pamphleteers and stump orators to party agents and operatives this enthralling account looks at the political insiders in the halls of power as well as the agitators and outsiders who sought to shape the nation from the margins A work of political history like no other Dreamers and Schemers will transform the way you look at Australian politics With acuity and grace Bongiorno divines the soul of the nation All told with a cheeky eye for detail and nose for skullduggery by a historian in full archival narrative and rhetorical flight A landmark work Clare Wright Bongiorno is one of our premier historians and this is his masterwork An original take on our politics and people written with an open mind and warm Australian heart George Megalogenis Penetrating and vividly written this a political history that broadens our understanding of politics one that offers genuinely fresh insights and resists tidy generalisations From First Nations politics to the democracy sausage Dreamers and Schemers never disappoints It will stand as one of the most essential works in Australian history for decades to come Mark McKenna Shortlisted for the Australian History Prize in the NSW Premier s History Awards
