[With Hitler to the End](#) Heinz Linge, 2009-07-30. Creepy yet fascinating. Of interest to anyone seeking more insight into the everyday life of one of history's monsters. Library Journal.

Heinz Linge worked with Adolf Hitler for a ten-year period from 1935 until the Führer's death in the Berlin bunker in May 1945. He was one of the last to leave the bunker and was responsible for guarding the door while Hitler killed himself. During his years of service, Linge was responsible for all aspects of Hitler's household and was constantly by his side. He claims that only Eva Braun stood closer to Hitler during these years. Through a host of anecdotes and observations, Linge recounts the daily routine in Hitler's household, his eating habits, his foibles, his preferences, his sense of humor, and his private life with Braun. In fact, Linge believed Hitler's closest companion was his dog. After the war, Linge said in an interview, "It was easier for him to sign a death warrant for an officer on the front than to swallow bad news about the health of his dog." In a number of instances, such as with the Stauffenberg bomb plot of July 1944, Linge gives an excellent eyewitness account of events. He also gives thumbnail profiles of the prominent members of Hitler's court: Hess, Speer, Bormann, and Ribbentrop, among them. Now Linge's incredible story has been translated into English for the first time and casts new light on what it was like to be constantly alongside the Nazi despot. Daily Mail.

Hitler as Political Artist Peter G. Clark, 2022-10-06. What Hitler was able to do to a crowd in 2 1/2 hours will never be repeated in 10 000 years. Ernst Hanfstaengl. Hitler's early confidant. Hitler was one of the first great rock stars. He was no politician; he was a great media artist. How he worked his audience. The world will never see anything like that again. He made an entire country a stage show. David Bowie. British rock legend. As a young man in Vienna, Adolf Hitler was sleeping on park benches in 1909, just a real Nowhere Man, making all his Nowhere Plans, and who would soon haunt homeless shelters while trying to hawk his unimaginative and banal paintings. Yet in 1933, this mommy's boy and self-centered dilettante was appointed Chancellor of Germany after discovering his artistic-political calling as a charismatic orator and stage actor in the 1920s and then dazzled Germans and foreigners alike with the color and pageantry of the Nuremberg rallies and other grand spectacles in the 1930s. As a virtuoso in the art of presenting dramatic performances, Hitler inspired the same type of emotional ecstasy that the Beatles, the Rolling Stones, and Elvis Presley aroused from their frenzied fans. Even after clearly revealing the monstrous side of his murderous character in World War II by exterminating Jews and Slavs by the millions before committing suicide on April 30, 1945, he still emerged from the ashes and rubble of the Third Reich to seduce later generations. To the present generation, he has morphed from a murderous

villain into a comical figure on many Internet platforms particularly the hundreds of humorous YouTube parodies of his fanatical ranting and raving This book examines Hitler s extraordinary political artistic talents to explain his nearly unfathomable rise from a homeless nobody into the most influential and demonic creature on the vast stage of modern history

Hitler and Nazi Germany Jackson J. Spielvogel,2016-09-16 This text is based on current research findings and is written for students and general readers who want a deeper understanding of this period in German history It provides a balanced approach in examining Hitler s role in the history of the Third Reich and includes coverage of the economic social and political forces that made the rise and growth of Nazism possible the institutional cultural and social life of the Third Reich the Second World War and the Holocaust

Hitler's Rival Russel Lemmons,2013-03-01 Fascinating material This book will likely be the last word and the standard work on the Th lmann myth and its role in East German history Catherine Epstein author of Nazi Germany Confronting the Myths Throughout the 1920s German politician and activist Ernst Th lmann 1886 1944 was the leader of the largest Communist Party organization outside the Soviet Union Th lmann was the most prominent left wing politician in the country s 1932 election and ran third in the presidential race after Hitler and von Hindenberg After the Nazi Party s victory in that contest he was imprisoned and held in solitary confinement for eleven years before being executed at Buchenwald concentration camp in 1944 under the F hrer s direct orders Hitler s Rival examines how the Communist Party gradually transformed Th lmann into a fallen mythic hero building a cult that became one of their most important propaganda tools in central Europe Author Russel Lemmons analyzes the party intelligentsia s methods demonstrating how they used various media to manipulate public memory and exploring the surprising ways in which they incorporated Christian themes into their messages Examining the facts as well as the propaganda this unique volume separates the intriguing true biography of the cult figure from the fantastic myth that was created around him Lemmons analyzes in great detail the myth and legend that formed around Ernst Th lmann who became the leader of the German Communist Party in 1925 and was a dominant politician in Weimar Germany until imprisoned by the Nazis in 1933 This comprehensive study which treats the years before the war ended for the first time is thoroughly researched and well written it will be a standard work on the subject G P Blum Professor Emeritus University of the Pacific

Hitler's Boy Soldiers Helene Munson,2022-05-24 The true untold story of how Germany s children fought in WWII through the lens of the author s father and his rediscovered journal

Protest in Hitler's "National Community" Nathan Stoltzfus,Birgit Maier-Katkin,2015-12-01 That Hitler s Gestapo harshly suppressed any signs of opposition inside the Third Reich is a common misconception This book presents studies of public dissent that prove this was not always the case It examines circumstances under which racial Germans were motivated to protest as well as the conditions determining the regime s response Workers women and religious groups all convinced the Nazis to appease rather than repress racial Germans Expressions of discontent actually increased during the war and Hitler remained willing to compromise in governing the

German Volk as long as he thought the Reich could salvage victory
