My Father Is My Hero Essay:

My Son, My Father, My Hero Larry, 2010-02-08 My Son My Father My Hero is based on the journal that was kept by Larry A Woodruff's parents from the beginning of his illness. During the first week of dealing with this horrible nightmare they met another mother whose son had cancer. She gave them some tips on how to get the best care and choices for their son. She told them to keep a daily journal of his medicines and treatments and record how he reacted to them. When the doctors order a medical test she told them to ask what they hoped to learn and what they would do differently after obtaining the results. And she told them to never forget that this was a teaching hospital and that the medical staff would do tests to learn different things concerning the illness. This book was written to help other parents and families with loved ones who have had not only cancer but also other diseases that put a family in dreadful distress. The disease affects not only the patient but also everyone who is in direct contact with him or her. In their case cancer affected Larry's parents, brothers, wife, children, grandparents, aunts, uncles, cousins, and many friends. This is their story. , *50 Successful Harvard Business School Application Essays* Staff of the Harvard Crimson, 2022-12-27 Fifty all new essays that got their authors into Harvard Business School including GMAT scores showing what worked, what didn't, and how you can do it too.
