creator of Garfield Unbreakable Beauty Tara Sosa,2017-10-17 First date First kiss Make out Make love Have wild uninhibited crazy sex Find someone to love me back When I first read Elizabeth Masters list I was excited And then I was furious She created a list of firsts Firsts that should have been mine Firsts she was now going to give to someone else Because when she offered me her firsts I said I didn't want them But that was a lie It was one of many I told her Because I wanted her and her firsts more than anything Someone to love her back She already had that First kiss That was me She can't erase anything that happened between us no matter how hard she tries to forget And I know that from experience Because I've never been able to forget what we had what we shared I couldn't stop thinking about what could have been if I pulled her close and not pushed her away And now she wants to move on with someone else It wasn't going to happen What we have is real Unbreakable And I'm not messing up again No more lies No more hiding I know she's the best thing that's ever happened to me Just like I know she's mine And so are her firsts Her firsts her lasts her in betweens her love her forever It's mine She just needed to let me back in She needed to give me another chance And if she didn't want to I'd make her Because I was never losing her again Ryan Flannery broke my heart Or what was left of the frayed and fragile pieces I had to give I let him in I let him close I gave him everything I thought he loved me I laid myself bare I stripped myself raw I chased a fantasy and I got burned But he did do one thing for me He gave me something An idea According to him I was too young too inexperienced And he was right I needed to change that So what if he was my first love He didn't have to be my only It was time for me to spread my wings Explore It was time for me to live Ryan might have been the one I wanted to give my firsts to And my lasts And everything in between But it's not happening I've been hurt enough Lied to enough Betrayed enough It was time I started to think about me He thinks that I can just forget what he's done That he lied That he made a mistake He thinks we're unbreakable He thinks that it's me and him Always Forever He thinks I'm going to give him another chance at that Another chance at me It Will Never Happen Until it does Everyone remembers their first Except Ryan Flannery But that's okay Because all he needs to remember is his last His last Her first **Time Lord** Clark Blaise,2011-07-27 It is difficult today to imagine life before standard time was established in 1884 In the middle of the nineteenth century for example there were 144 official time zones in North America alone The confusion that ensued especially among the burgeoning railroad companies was an hourly comedy of errors that ultimately threatened to impede progress The creation of standard time with its two dozen global time zones is one of the great inventions of the Victorian Era yet it has been largely taken for granted In Time Lord Clark Blaise re-creates the life of Sanford Fleming who struggled to convince the world to accept standard time It's a fascinating story of science politics nationalism and the determined vision of one man who changed the world Set in a time marked by substantial technological and cultural transformation Time Lord is also an erudite exploration of art literature consciousness and our changing relationship to time **Fifty Years of Thunderbolt Tradition** Jim Hansen,2006-08 No other high school in Nebraska evokes as much pride passion inspiration and devotion as Pius X High

School The school that was started in 1956 and remains today Nebraska's largest co educational parochial school is a beacon for success and leadership Thunderbolt athletics has been a bench mark for programs to follow and only those privileged few student athletes who have had the opportunity to don the Pius X uniform can begin to understand why that is so Pius X's undeniably rich tradition and success over the past fifty years are enough to separate it from other schools 54 state titles in both boy and girl sports 12 all sports awards nine state football championships and countless academic all state athletes Coaches such as Aldrich Kelley Aylward Moore and Forycki as well as many others have set the standard of excellence and have created the feelings of honor and utmost pride associated with Pius X and being a Thunderbolt Travel back with us as we take a look at Past great athletes and teams and why they make Pius X such a special and magical place This is a must read for all past and present Thunderbolt athletes and for Pius X fans and foes alike Now read the stories and accounts of past Pius X athletes as they attempt to define the significance of being a part of the storied tradition that is a Pius X Thunderbolt

Two Nobodies Speak Out Sheldon Marcus, Philip D. Vairo, 2011-10-01 This book traces the journey of two individuals who have spent their lives on both sides of the teacher professor's desk Between them they went from attending kindergarten to being a college president and in that journey they held positions ranging from classroom teacher in the New York City public schools every rank of the professorial ladder to almost every administrative position available in a university In their book Marcus and Vairo are totally candid in relating their experiences in their various roles They are highly opinionated but these opinions are based on the realities they encountered with students and colleagues at all levels of education This book utilizes vignettes as well as commentaries to tell a story of two educators who have worked at every part of the United States There is little that has happened in education since the 1940's down to the present day that is not touched on in this book Marcus and Vairo are insiders with no axe to grind They tell the truth as they see it

Survival of the Heart Tragedy of the Mind Dwight N. Wood Sr, 2013-04 After a life that has spanned more than six decades Dwight N Wood Sr now provides an intensely painful but transparent account of his story starting from birth and leading to the present day He always attempted to hide away the damaging scars of a major heart surgery and the sometimes cruel events prompted by poverty It was his choice to cover up and contain his deepest emotions within his heart and mind *Survival of the Heart Tragedy of the Mind* is a spiritual and surprising story of medical survival and human tragedy Wood characterizes his most detailed memories of his childhood and the sacrifices of his family which always supported his dreams of living a normal life After he became an adult he once again faced the demons of his past physical and mental battles He recounts the hardships associated with despair dying and death He expresses the mental struggles of living in the past while not looking toward the present and future The emotional and monetary costs of failing to seek professional guidance nearly led to his demise Wood admits to the consequences of being a man who has had to deal with denial and rejection His book is about learning the lessons of life and making the confusing connections between commonsense and poor judgment He

rationalizes the reasons we should embrace love and forgive people The crucial decisions he made as a child and an adult now allow him to complete his circle of life Survival of the Heart Tragedy of the Mind is an intimate portrayal of a very emotional boy who develops into a mentally quick and capable man His often hopeful approach to overcoming human miseries is highlighted by his failures as well as his victories From his youthful days to his elderly years he suffered from a congenital heart abnormality and eventually developed post traumatic stress disorder His lifelong search for the answers to human love spiritual happiness and the true meaning of human life eventually leads him to some remarkable solutions with noteworthy conclusions
