The Untamed Heiress Julia Justiss, 2012-10-15 A respectable Lord is undeniably drawn to a rebellious young heiress with a troubled past in this sexy Regency romance Imprisoned as a child by her spiteful father Helena Lambarth vowed upon his death to never again live under a man's rule But to honor her mother's last wish she journeys to London to enter society where she finds herself a reluctant houseguest of the dashing Lord Darnell Adam Lord Darnell has little time to oversee the bedraggled hoyden he's agreed to sponsor Saddled with his father's debts he knows his one hope is to win the hand of wealthy Priscilla Standish If only she weren't so ordinary compared to the unconventional Helena and if only his waiflike ward hadn't suddenly transformed into a bewitching young woman The desire they spark in each other is undeniable But can the love they try to resist conquer Helena's demons and free them both Far Company Cindy Hunter Morgan, 2022-05-24

Poems that underscore how we commune with those long loved and long gone In *Far Company* we hear Cindy Hunter Morgan thinking about the many ways we carry the natural world inside of us as a kind of embedded cartography Many of these poems commune not only with lost ancestors but also past poets We hear conversations with Emily Dickinson James Wright Walt Whitman and W S Merwin These poets who are part of Hunter Morgan's poetic lineage are beloved figures in the far company she keeps but the poems she writes are distinctly hers Poet Larissa Szporluk remarked The poems in this collection are quiet and deceptively simple My first response was to be amazed by a seeming innocence in delivery straightforward picturesque and compassionate that then matured like a crystal into something precious and masterful We are left with the whole forest having met all the trees one by one There is so much respect in this collection respect for natural processes that include intergenerational relationships shared territories and myths The poems in *Far Company* reveal a mind and a heart negotiating both self and world with compassion and invention They are cinematic in the way they navigate loss memory dislocation hope and love abstractions evoked in deeply specific and nuanced ways There is the drone that flies over Hunter Morgan's grandparents' farm before the house burns and the stag handled knife in a pocket its single blade folded inside like a secret on a train in Greece But this collection is full of quieter cinema too a grandfather bending to cinch the girth of a horse days green with snap peas and wild tendrils and raindrops beading like sweat on the lips of snapdragons The root of this book is Hunter Morgan's love for family and her love for the land her family has shared These poems map a journey to many places inward and outward and engage with the natural world and the built world moving between both of those environments in ways that acknowledge the complexities of such crossings Often melancholic but never sentimental this collection belongs with any reader who seeks out literature in the organic world *Fire Engineering*, 1949 **Farm Journal**, 1906 **Good Housekeeping**, 1926 **The Tower and the Abyss** Erich Kahler, 2017-09-29 This book shows the various evolutionary forces which have converged from different directions to effect human disintegration It discusses the evidences of disintegration in all fields of contemporary experience from social political and economic processes to those in learning art and poetry Harper's Bazaar, 1911 *A Matter of Life and Death* Anna Blaman, 1974
