

“My Name” by Sandra Cisneros

Prompt: After reading and color marking the essay, “My Name”, research about the original of your name. **You are to conduct primary and secondary research in preparation for your first essay in class.** Your primary research will be to discover the “history” of your name from your parents or whoever named you. What is the “story” behind your name? Why was your particular name chosen out of all the possibilities? Your secondary research is an online search for the “meanings” of your name or other people in history who had your name. Do you have any characteristics in common with these people in history and what are these similarities?

Directions: You will write a 200 – 300 word essay in class on Tuesday, September 15 Thursday, September 17th.
You will double space (skip every other line when writing) and use a blue or black pen.
Write in your **CLEAREST** handwriting.
Do **NOT** write on the back of your paper.
Include in your writing the “history” of your name found in doing your research.

Planning Tips: Examine the structure of Sandra Cisneros’s “My Name” essay - it begins with a series of comparisons, tells about the family history associated with her name, describes how she feels when her name is spoken aloud, and concludes with what she would like to be named. **Use this model to plan your own essay.**

Things to Consider in planning your essay:

1. When you think of your name to what can it be compared?
2. Is there a family history to your name?
3. Is there a famous person in history with your name and are you anything like that person?
4. Why is your name suited or not suited for you?
5. What other name would you prefer if you could rename yourself and why would this name be more appropriate?
6. Do a pre-planning before writing your essay in class – **but**

DON’T write the essay at home and simply recopy it during the class period.
