My Tiny Book Of Tithing:

My Tiny Book of Tithing Marion Passey, 2002 Children learn what tithing means and why God asks us to pay it **The Little Book of Prosperity** Maggy Whitehouse, 2004 *Tithing, Giving and the New Testament* Anastasios Kioulachoglou, 2008-11 Tithing Giving and the New Testament sets out to examine tithing from the New Covenant's perspective and without preconceived ideas It starts examining tithing in the Old Testament Then explores what the New Testament says about giving Were the Christians in the 1st century churches the churches we find in the New Testament tithing How did they apply giving To whom did they give how much and based on which principle If they had a budget what would the items in this budget look like Inevitably it compares their practices with our practices There is much that can be learned about this topic from the Word of God and the purpose of this book is to bring it to light for the benefit and the enlightenment of the readers Anastasios Kioulachoglou is a business consultant and lay teacher in the body of Christ He is a native Greek speaker In his spare time he works on his Bible teaching online magazine The Journal of Biblical Accuracy www.jba.gr **Philanthropy in Communities of Color** Bradford Smith, Sylvia Shue, Jennifer Lisa Vest, Joseph Villarreal, 1999-03-22 Philanthropy is often associated with wealthy people giving large amounts of money to charitable organizations and indirectly to people they don't personally know Ethnic philanthropy is almost totally different it consists primarily of people sharing modest wealth with other people most of whom the givers know well Too often communities of color are portrayed as takers rather than givers this important study debunks that myth **Leaves of Healing**, 1929

The Little Book that Told the Truth Vol. 01 Luis Hernandez, 2023-09-05 Why do you need to read this book Simply for eternal salvation and everlasting life Also to be able to differentiate the truth from false religious doctrines You see the world has you thinking that if you are a good person a good citizen you feed the poor you give to charity you help the elderly you volunteer in a hospital you serve your community and so on that you then die and automatically go to heaven Wrong The truth is Jesus is the Way the Truth and the Life It's not about how good you are It's about what he did for you So if you want to know the truth I challenge you to read this book cover to cover and I will promise you that you will change and receive the answers to the questions that rattle your mind You will look at the world in a different light and your spiritual eye will be opened In addition most people think that if they accept Jesus they automatically go to heaven Well they are correct But what they don't take to account is consequences You see you can be born again and your final destination will be heaven But you probably get there a little quicker and with much pain and suffering You see when you get born again the battle starts right there and then You are marked And this pertains to believers But if you haven't accepted Jesus well life has never begun for you because you are spiritually dead You see a nonbeliever understands man's laws good and bad But what a nonbeliever needs to understand is salvation Now salvation is not a license to sin whether you are saved or unsaved You will have to deal with consequences of your sin Salvation simply means your final eternal destination In this book you will discover truth and

everlasting life And the truth will set you free In addition there are many topics that I cover in this little book that will greatly bless you in your spiritual walk in life I pray you discover them all in Jesus name Amen *The Efficient Epworthian* Dan Brearley Brummitt,1914 *The Little Book on Meaning* Laura Berman Fortgang,2009-04-30 An invaluable guide and companion for anyone seeking greater meaning and purpose in life A nominee for the Books for a Better Life award As a pioneer in the field of life coaching Laura Berman Fortgang has spent decades helping people figure out what they want to do with their lives And so it was a bit of a surprise when a theme she heard repeatedly from clients emerged in her own thinking and would not be dismissed work didn't feel as meaningful to her as it once had It was one of those big realizations one has from time to time The funny thing was that it turned out the solutions to her problem were quite small In *The Little Book on Meaning* Laura Berman Fortgang reveals that while our hunger for a meaningful life can be enormous our desire for meaning is usually satiated by small bite size morsels of meaning the small almost incidental events or achievements that comprise the fabric of our lives According to Fortgang meaning is where you look for it and through tenderly drawn stories from her own life and the lives of those around her she shows readers how they too can peek around corners to discover the small elements of their lives that truly matter *Whatever Happened to the Gospel?* R. T. Kendall,2018 Respected author and theologian R T Kendall sounds a wake up call for churches across the globe *Whatever Happened to the Gospel* seeks to reacquaint you with the Gospel and reignite a passion in your heart to know more of God *Neale Donald Walsch's Little Book of Life* Neale Donald Walsch,2021-03-01 A little book that teaches readers how to incorporate the message of Conversations with God into their daily lives In 1999 Neale Donald Walsch wrote three little books each focusing on different areas of life Neale Donald Walsch on Relationships Neale Donald Walsch on Holistic Living and Neale Donald Walsch on Abundance and Right Livelihood In 2010 these three books were published in a single volume as Neale Donald Walsch's Little Book of Life Walsch describes this book as a thousand pages of dialogue in the Conversations with God series reduced down to a few salient points and a few very direct observations about how to render them functional Readers can think of this book as either Conversations with God in a Nutshell or the Essential Conversations with God Here are the basic principles for Satisfying personal relationships Living a joyful harmonious life Discovering authentic prosperity Walsch's words provide hope and help for readers living in particularly challenging times This is indeed Walsch's essential life guide for twenty first century readers Walsch writes candidly about great questions of purpose peace and happiness that haunt humanity Publishers Weekly *The Little Book* Ronald R Christensen,2010-07-21 In Revelation Chapter 10 a little book was mentioned that would uncover the full mysteries of God This is that Little Book *My Little Book of Poetry* Melvin Yeager,2020-12-22 *My Little Book of Poetry* By Melvin Yeager *My Little Book of Poetry* is Melvin Yeager's collection of poems that span over several years of his life After retirement and a divorce from his third wife he used his newfound free time for recreation fishing and bowling being the most prominent When these activities turned out to be more of a chore he ventured

to western Oregon to fish in various lakes rivers and streams Eventually the lure of the sea caught his attention When he would grow bored on weather delays he sat at his computer and composed the collection within these pages The poems came to him quickly and then vanished If you don't enjoy his poetry Yeager says the pages can still be put to good use as fire starter

Davis Dean, Jr., 2014-10-15 Tithes and Offerings Perspectives on Christian Giving is the result of a suggestion made to the author by a close Christian friend and consultant His reasoning was that although there are many books on the Christian tithes and offerings they are overwhelmingly legalistic or moralistic Such appeals have often been based upon the popular though false health and wealth gospel This suggestion led the author to consider and examine not only points of conservative church doctrine as they may be applied to the subject but to incidents in Scripture that involved the act of giving This in turn led the author into a research and analysis of the historical and cultural context of the exchange and the profile and life situation of the personages involved in it The final matter to come out of all this reconstruction was to put a flesh and bone humanity upon personages most people only know from Scripture by their names and the deeds associated with them But more in regard to the act of giving there is the considering of what the act meant to them personally and to translate this very human meaning to Christian giving among believers even today **The Morning**
