Talk about the person that I admire so much, a lot of names run through my mind. My mother, sister and some good friends. I even wanted to write about Steve Jobs, the man who made my eyes pop out and he is one who changed the world totally. But then, I decided to write about a person whom I respect so much and who has influenced me a lot. I can proudly say that it is my father who has been my source of inspiration from day one. In other words, his perspective and personality together have shaped me as a person. Similarly, he has a great impact on the world as well in his own little ways. He devotes his free time in taking care of stray animals which inspires me to do the same. My father has taught me the meaning of love in the form of a rose he gifts to my mother daily without fail. This consistency and affection encourage all of us to treat them the same way. All my knowledge of sports and cars, I have derived from my father. It is one of the sole reasons why I aspire to be a banker in the future. From this, I am going to write about his several personal characters which have made person that I admire

Firstly, as everyone likes to believe that their father is different, so do I. Nonetheless, this conviction is not merely based on the love I have for him, but also because of his personality. My father is a director in Institute of Improving Qualification in Ministry of Internal Affairs of Personnel. From this he is quite disciplined in all aspects of life. He is the one who taught me to always practice discipline no matter what work I do.

Secondly, he has a cheerful and friendly nature. He always makes my mother laugh with his silly antics. I completely adore this silly side of him when he is with his loved ones.
