personal accomplishments behind him proclaimed the left hand and will of Yahweh and with the love and respect of his fellow angels he has become the most powerful angel in heaven During his past five thousand years of afterlife he first believed that he had everything he could ever want but something was missing he needed and wanted more Originally a still born human soul he never had a chance at life outside of heaven But then something happened that made him desire what he had lost It was Yahweh s encouragement and plan for him to return to Earth and live as a human however returning would not be that simple Becoming the first of his kind Gabriel would retain his angel powers but be without the memory of his past thusly forced to learn how to survive his dual nature and obligated to recall his unknown previous life he would require the help from one of his guardian angel allies But it will be Yahweh who orchestrates the situation by keeping Gabriel from knowing his fate and future destiny Many adventures befall our hero as he navigates through childhood adolescence adulthood and the difficulties with romance When Gabriel is forced to persevere over earthly and un earthly villains his lessons become more profound With the help from his heavenly company his fated time line will take him through progressively greater challenges Gabriel s weapons will go beyond his charms and magical powers which must include his knowledge wisdom and resolve This illustrious legendary figure is the nice guy who will finish first ultimately finding personal fulfillment and becoming more than he could ever imagine Life of Moscheles Charlotte Moscheles,1873 **Coronets and Steel**

Sherwood Smith,2010-09-07 Too much imagination was tantamount to lying that s what my grandmother taught me So when I first got the sense that someone was following me I ignored it Who d waste time following me Me being Aurelia Kim Murray a grad student from California with a passion for ballet and fencing and a hopelessly romantic vision of the world I had some to Europe to track down my grandparents families but so far I d had no luck I couldn t explain the sense of urgency that drove me even to myself It has begun that day four months ago when my grandmother lay restlessly in her bed her eyes glittering with fever as she gripped my hand Your mother is too gentle she s whispered in her aristocratic Parisian French I cannot send her to steal the breach Breach What breach With her family With my grandfather s family Neither Mom nor I knew anything about Grandmother s family or the handsome man in the silver framed photo that Gran always kept on her bedside table She wouldn t talk about her life before California my mom has said as we waited in yet another specialist s office hoping to find out why though Gran had recovered from her fever she had not spoken since Nothing had come of my search in Paris or Vienna and no matter how fast I walked along the grand boulevards I knew I couldn t outpace my sense of failure And that s when I met my first ghost But seeing ghosts wasn t my biggest problem I was being followed and I was about to find out more about my lineage than I had ever imagined possible in my wildest most fanciful dreams or nightmares
