sciences are still guided by models of social action far from the empirical reality of the psychology of action While economics seems to have made greater progress in accepting the changes to the theory of action derived from cognitive science see for example the 2002 Nobel prize for economics awarded to Daniel Kahneman sociology is still being oriented on the dualism of hermeneutics vs structuralism which leaves very little room for a cognitive theory of social action The unique features of the book are its combination of epistemology philosophy of mind and cognitive science in order to renew and overcome the limits of the current methodologies of social science and in particular methodological individualism Methodological cognitivism is proposed as an alternative to the holistic character of structuralism to the intentionalist and rationalist features of methodological individualism and to the relativistic character of hermeneutics and ethnomethodology *Wytches Vol. 1* Scott Snyder, 2015-06-24 It s fabulous A triumph Stephen King The most terrifying comic you ve ever read MTV News When the Rooks family moves to the remote town of Litchfield NH to escape a haunting trauma they re hopeful about starting over But something evil is waiting for them in the woods just beyond town Watching from the trees Ancient and hungry Collects WYTCHEs 1 6 More praise for WYTCHEs Dark and brutal Wytches are like nothing horror fans have ever seen USA Today In Wytches the Image Comics series Snyder co created with the superstar art team of Jock and Matt Hollingsworth the writer isn t just completely reinventing witches through the story of the Rook family s dealings with the titular monsters he s diving deep into very real fears about being a parent and the ugliness that hides in all of us Entertainment Weekly An awesome and at times terrifying tale IGNA great read the art is outstanding and certain panels may give you nightmares iO9 If you read the first 4 pages of WYTCHEs there s no turning back Scary as fuck and impossible to put down Bravo Joe Hill Locke Key Monumental Bloody Disgusting Snyder has tackled horror before but Wytches sets out to be an entirely new level of scary Aside from the fact that the monsters in the book are terrifying artist Jock has done an amazing job realizing the creatures Snyder s vision of witchcraft is as much about the deepest fears parents face as it is about spooky monsters in the woods Complex Magazine 50 Classic Gothic Works Vol. 1 Oscar Wilde, William Beckford, H.P. Welcome To a World of Unbridled Psychological Horror KING OF PAIN The Descent is Book 1 of the series A Journey to Hell the junkie ecosystem a throng of parasitical people feeding off of each other in Building 1 the abode of a certain old man named Ralphy known by all as The Cockroach Prince As the maze of characters gets more dangerous and some seek to destroy him there are players behind the scenes that believe he can overcome including his eccentric mother Marina an unknown yet benevolent ghost Father Corbin an unconventional priest with unique spiritual abilities and insight and Slade

the Indian Warrior who tries to introduce him to the purging ceremonies of his people The character's only human support comes from friends like Jim a half white half Cherokee freight train of violence and frantic drug consumption Martin the chronically addicted former mob boss and city overlord and Jonathon a newly orphaned youth who admires the main character and has himself given up on life But time is running out As the character's self destruction breeds more intense psychological suffering the visions turn darker and more sinister demonic apparitions begin to appear in his Mind's Eye and even in his tangible reality He is thus catapulted into the very center of his existence where he comes face to face with the ultimate archenemy Encounter angels and demons experience the end of the world and enter the character's soul where he comes face to face with CEO his personal and self devised Satan Will he make it out of this nightmarish world of insanity Or will his enemies triumph and drag his soul to hell Sometimes Reality Is The Hardest Thing to Face From the Author KING OF PAIN What would it be like to travel into a world of death insanity depravity and violence INSIDE the human soul Plagued by endless painful emotions confusion hatred and rage a mind can in essence create an inner world of death more terrifying and vile than any movie or news report That internal film is always playing unfettered by human laws or reasons to restrain this soul footage can roll horrific scenes of unrestrained mass murder and human debasement Who is the wiser if he pillages and murders inside of his own mind Who can imprison him for perpetrating these despicable yet abstract deeds What of this inner world this inner hell where everything and anything can come to pass Is it all in the imagination or are there real malevolent forces behind the curtain And so I was intrigued by The Mind's Eye the lens that goes above and beyond three dimensional reality a razor sharp ocular blade that severs all that is illusory But what happens when upon closer scrutiny we discover that illusion is perhaps more real than what the naked eye can see Yet the horrors that appear before the Mind's Eye are a mere reflection of the destructive choices that the character makes So what if we took this character and placed him in a hopeless path of self destruction a path so irrevocable and vile that it actually fueled the mental machinations And this inner hell that he creates is the only outlet that he has for the suffering and psychological pain that assaults him day and night a direct result of the insanely destructive choices that he makes knowing that his demise looms but pressing on nonetheless and with glee and defiance What can he do to find relief but to reach out and soothe the misery with liquids powders pebbles and any other compounds he can find But that is not enough the more he partakes the more he craves and the more he craves the more his life falls apart and the more he loses control the more he is consumed with hate and rage As his emotions collapse and humanity disappears the character is assaulted by horrifying visions dreams and spiritual apparitions And this blood paved road leads to the very place that he always shunned yes this road leads to the center of himself There for the first time he finds himself standing face to face with his loving enemy and indefatigable tormentor And so towards the end of this volume our nameless character says I crown myself KING OF PAIN walking down my self made Calvary with the world's crosses on my back on the pathway to becoming my own self righteous martyr This statement was

somewhat of a shock to me when it came because it showed that somewhere inside his corrupted mind there is an awareness that shows him flashes of truth and clarity But will that be enough to uproot and destroy an evil so deeply rooted While a betting man would put his money on violent death and eternal perdition for our character the force of free will coupled with love rediscovered could very well equal or even surpass the power of E Mc2 could it not Together we shall discover his fate
