

The Mystery of Macy's Money

There are about nine million people in New York City, thought Detective Hanlon. All I have to do is find out who took \$250,000 from the safe at Macy's Department Store.

There was a broken window in the office. The safe door was open. Detective Hanlon looked out the window. Outside on the ground, there were shards of glass. The carpet by the window was clean.

Just then, Charles Taylor, an assistant manager, walked in. Detective Hanlon noticed bandages on Taylor's hands. Taylor pulled the sleeve of his jacket over the bandages.

"I am sorry I wasn't here to meet you, detective. I don't know how this could have happened!" exclaimed Taylor.

"Do you always have this much money in the safe?" asked Hanlon.

"No, we were going to give bonuses to some of our employees," answered Taylor.

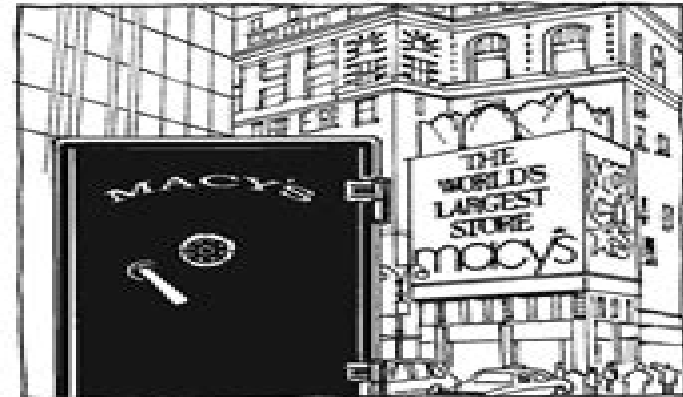

"Were you going to get a bonus, Mr. Taylor?" asked Hanlon.

"No, only the sales staff was going to get bonuses. I didn't think that was very fair. But then, my opinion doesn't matter much around here," replied Taylor.

"Who has the combination to the safe?" asked Hanlon.

"Only my supervisor, Harold Stevens, and I," answered Taylor. "Mr. Stevens just left for a vacation in Hawaii."

"I think that you will be going away for a while too, Mr. Taylor, but not to Hawaii," said Hanlon.

Think about it...

Hanlon knows who took the money. Do you?

Andrew Melrose, 2004-01-14 Writing for children is not about writing little stories it is about writing big stories shorter

Children's literature is an art form in its own right and this book is for everyone who wants not just to write for children but to write well for them. This short guide to creative writing for children is based on the author's own successful MA course. Andrew Melrose provides guidance on every aspect of the process of writing for children. He stresses the importance of writing for the child and not writing to or at them. Literacy and learning depend on writing and reading and it is therefore the responsibility of the writer to understand who they are writing for. The book is divided into four sections which cover all aspects of the writing process. This book goes far beyond the how to format to help writers learn the finely balanced craft of writing for children. It will be an indispensable handbook for aspiring and practising children's authors. **Narrative**

Writing, Grades 6-8 (Meeting Writing Standards Series) Andrea Trischitta, 2000-06 Activities include lessons on the elements of narrative writing figurative language grammar proofreading editing skills and includes ways to encourage the readers to feel that they are involved in the stories. **CHILDREN'S BOOK CLASSICS - Kate Douglas Wiggin Edition:**
