

Greek Mythology: Arachne

Once upon a time, there was a clever woman named Arachne. She lived in a forest. Arachne loved making colorful tapestries.

Arachne's work was famous, and people came from far away to see it. But she proud and thought she was better than anyone else, even the goddess Athena. When Athena heard about Arachne's weaving, she decided to test her skills. Arachne's a weaving contest. Arachne accepted, thinking she would win easily.

During the contest, both Arachne and Athena were beautiful tapestries. Athena's showed powerful gods and goddesses. Arachne's work showed the gods making mistakes. Athena didn't like Arachne's work, so she lost it again. Then, she turned Arachne into the world's first spider.

And that's why spiders spin webs today. It reminds us not to be too proud!

Nationalist Myths and Ethnic Identities Natividad Gutierrez,2015-11 This timely study examines the processes by which modern states are created within multiethnic societies How are national identities forged from countries made up of peoples with different and often conflicting cultures languages and histories How successful is this process What is lost and gained from the emergence of national identities Natividad Gutierrez examines the development of the modern Mexican state to address these difficult questions She describes how Mexican national identity has been and is being created and evaluates the effectiveness of that process of state building Her investigation is distinguished by a critical consideration of cross cultural theories of nationalism and the illuminating use of a broad range of data from Mexican culture and history including interviews with contemporary indigenous intellectuals and students an analysis of public school textbooks and information gathered from indigenous organizations Gutierrez argues that the modern Mexican state is buttressed by pervasive nationalist myths of foundation descent and heroism These myths expressed and reinforced through the manipulation of symbols public education and political discourse downplay separate ethnic identities and work together to articulate an overriding nationalist ideology The ideology girding the Mexican state has not been entirely successful however This study reveals that indigenous intellectuals and students are troubled by the relationship between their nationalist and

ethnic identities and are increasingly questioning official policies of integration

The Myth of the Normal Curve Curt Dudley-Marling, Alex Gurn, 2010 The Myth of the Normal Curve provides a much needed critique of commonly and even scientifically accepted notions of normality For too long we have supported an ideology of normality without much interrogation of the subject This book provides that interrogation Lennard J Davis Professor of English and Disability Studies University of Illinois at Chicago Book Jacket

Founding Myths Ray Raphael, 2014-07-04 First published ten years ago award winning historian Ray Raphael's *Founding Myths* has since established itself as a landmark of historical myth busting With the author's trademark wit and flair *Founding Myths* exposes the errors and inventions in America's most cherished tales from Paul Revere's famous ride to Patrick Henry's Liberty or Death speech For the seventy thousand readers who have been captivated by Raphael's eye opening accounts history has never been the same In this revised tenth anniversary edition Raphael revisits the original myths and explores their further evolution over the past decade uncovering new stories and peeling back additional layers of misinformation This new edition also examines the highly politicized debates over America's past as well as how school textbooks and popular histories often reinforce rather than correct historical mistakes A book that explores the truth behind the stories of the making of our nation National Public Radio this revised edition of *Founding Myths* will be a welcome resource for anyone seeking to separate historical fact from fiction
