Library Resource Guide,2005 **Choice** ,2007-03 *Completing a Professional Practice Dissertation* Jerry W. Willis,Ron Valenti,Deborah

Inman,2010-06-01 A growing number of both established and newly developed doctoral programs are focusing on the preparation of practitioners rather than career researchers Professional doctorates such as the Doctor of Nursing Practice DNP Doctor of Education EdD Doctor of Pharmacy PharmD Doctor of Professional Studies DProf or DPS and the Doctor of Psychology PsyD are in fact just a few of the professional doctorates being offered today Professional doctorates are the

fastest growing segment of doctoral education The nature of the dissertation and the process of completing a dissertation can be quite different in a professional practice doctoral program but there are few resources for both students and faculty involved in completing and mentoring such dissertations This book was written specifically for students and faculty involved in professional practice dissertation work It addresses both the tasks and procedures that professional practice dissertations have in common with dissertations in research doctoral programs as well as the tasks and issues that are more common in professional practice doctoral programs For example negotiating entry into applied settings and securing the cooperation of practicing professionals is covered as are alternative models for the dissertation e g the three article dissertation or TAD The book also covers tasks such as getting IRB approval for applied dissertation research conducted in the field and how to propose and carry out studies based on applied and professional models of research This book written by three experienced mentors of professional practice dissertation students is the comprehensive guide for both students and faculty **Gale**

Directory of Publications and Broadcast Media ,2009 *Fundamentals of Collection Development and Management* Peggy Johnson,2018-01-16 As a comprehensive introduction for LIS students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequalled **Fundamentals of Collection**

Development and Management, Fourth Edition Peggy Johnson,2018-07-23 Technical Services Quarterly declared that the third edition must now be considered the essential textbook for collection development and management the first place to go for reliable and informative advice For the fourth edition expert instructor and librarian Johnson has revised and freshened this resource to ensure its timeliness and continued excellence Each chapter offers complete coverage of one aspect of collection development and management including numerous suggestions for further reading and narrative case studies exploring the issues Thorough consideration is given to traditional management topics such as organization of the collection weeding staffing and policymaking cooperative collection development and management licenses negotiation contracts maintaining productive relationships with vendors and publishers and other important purchasing and budgeting topics important issues such as the ways that changes in information delivery and access technologies continue to reshape the discipline the evolving needs and expectations of library users and new roles for subject specialists all illustrated using updated examples and data and marketing liaison activities and outreach As a comprehensive introduction for LIS students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequalled
