Focus On: 100 Most Popular Compact Cars Wikipedia contributors, **Focus On: 100 Most Popular Sedans** Wikipedia contributors, **The Automotive Industry and European Integration** A. J. Jacobs, 2019-08-07 This book chronicles the divergent growth trends in car production in Belgium and Spain It delves into how European integration high wages and the demise of GM and Ford led to plant closings in Belgium Next it investigates how lower wages and the expansion strategies of Western European automakers stimulated expansion in the Spanish auto industry Finally it offers three alternate scenarios regarding how further EU expansion and Brexit may potentially reshape the geographic footprint of European car production over the next ten years In sum this book utilizes history to help expand the knowledge of scholars and policymakers regarding how European integration and Brexit may impact future auto industry investment for all EU nations **Computer Security** Javier Lopez, Jianying Zhou, Miguel Soriano, 2018-08-10 The two volume set LNCS 11098 and LNCS 11099 constitutes the refereed proceedings of the 23rd European Symposium on Research in Computer Security ESORICS 2018 held in Barcelona Spain in September 2018 The 56 revised full papers presented were carefully reviewed and selected from 283 submissions The papers address issues such as software security blockchain and machine learning hardware security attacks malware and vulnerabilities protocol security privacy CPS and IoT security mobile security database and web security cloud security applied crypto multi party computation SDN security **Chasing Her Shadow** Vlad Birsan, 2025-03-21 Chasing Her Shadow was born one night from a thought that bothered me It was way past midnight and I had other things to do I was at work in the middle of the night shift and my mind was somewhere else I was struck by the idea of a small or big event that could shift our perception about time and how this could lead to significant changes into someone's life The next morning instead of going to sleep as I should have done I lit up a cigarette and started typing and I didn't finish until the first chapter was done This book is divided into two parts In the first part I'm telling you the story of Colt who faces a big event that makes him lose his perception about time Something happens with him and that something nearly costs him his life You'll have to find out what Then in the second part you'll find out the aftermath of the event from the first part The book is also about love adventure friendship and trust And the most important thing living life guided by one single phrase Le vent nous portera **Proceedings of the International Conference on Ubiquitous Computing & Ambient Intelligence (UCAmI 2022)** José Bravo, Sergio Ochoa, Jesús Favela, 2022-11-20 This book reports a set of novel research initiatives on ambient intelligence and ubiquitous computing that help researchers and practitioners identify recent advances as well as the frontiers in these study domains During the last two decades both study areas have gained great interest in industry and academia due to the benefits of using smart solutions in various application domains such as health care ambient assisted living personal security and privacy citizen participation provision of urban services and precision agriculture and farming The articles included in this book report solutions and provide empirical results on their suitability to

address problems and opportunities in these application domains The articles also include discussions on how the proposals and their evaluation results inform the design of the next generation of ubiquitous and smart systems Researchers practitioners and graduate students take advantage of this knowledge to address innovation and engineering aspects of smart and ubiquitous solutions for the next decade
