Vintage Ford Tractors Robert N. Pripps, **Legendary Farm Tractors** Andrew Morland, 2014-04-15 DIV If you're a tractor enthusiast with a passion for tractor photography **Legendary Farm Tractors** is a dream come true pictorial produced with you in mind. Containing more color photographs of more types of farm tractors than any other book in print, **Legendary Farm Tractors** presents tractors from the United States, Canada, Europe, and Japan, models from the 1880s to today, along with detailed captions, together offering a comprehensive photographic history of tractors. Organized alphabetically by make so that readers can find their favorites easily, the tractors covered here include everything from familiar manufacturers like John Deere, Ford, Farmall, Case, Caterpillar, and International Harvester to obscure tractors that have seldom been seen, such as the special streamlined Porsche coffee plantation tractor that looks more like a sports car than a piece of farm equipment. The extensive variety and distinguished photographs by noted photographer Andrew Morland make this an exceptional book for tractor buffs and the perfect gift book for any machine enthusiast. div Catalog of Copyright Entries.
