*Police Rescue and Bomb Disposal* Jason Byrnes,2017-09-05 In police rescue there is no such word as can't It CAN be done Sergeant Ray Tyson 1976 This is the story of an elite unit that has been protecting public safety for 75 years Every day the women and men of the NSW Police Rescue

and Bomb Disposal Unit confront some of the most challenging and harrowing situations imaginable including recovering decomposing bodies from cliffs cutting people out of the wreckage of crashed cars or disarming improvised explosive devices Nerves of steel compassion and dedication to duty are the core requirements for police rescue operators and bomb technicians Police Rescue and Bomb Disposal takes you on a journey from the dark days of World War II when police first formed a unit to recover bodies from Sydney s cliffs to the unit leading rescue operations at the Granville train disaster the Newcastle earthquake the Thredbo landslide and other emergencies up to and including the Lindt Caf siege Drawing upon numerous interviews and official documents this book is complimented by many never seen before images and is a fitting testament to the dedication and personal sacrifices made by a small band of highly skilled professionals *Farming Ahead with the Kondinin Group* ,2006 **4 Brothers** Andrew Miller,2016-03-13 4 Brothers originally titled 1 Brother is an excellent childhood memoir by Andrew Miller that has been cruelly sabotaged by his three brothers It would have been a beautifully written insightful and amusing account of growing up in Sydney through the 60 s 70 s and 80 s but instead has become a questionably written argumentative and occasionally vulgar piece which has somehow turned out to be wholly entertaining Few memories are agreed upon and many are strongly if not hotly debated What is superficially at least a nostalgic and entertaining read also turns out to be a valuable and penetrating look into character birth order parenting techniques world views and obnoxious personalities from four brothers who remember their childhood very differently yet who at the same time remain the closest of friends and the loyalist of companions **Hegemonic Masculinities and Camouflaged Politics** James W. Messerschmidt,2015-12-03 Analyzing the speeches of the two Bush presidencies this book presents a new conceptualization of hegemonic masculinity by making the case for a multiplicity of hegemonic masculinities locally regionally and globally This book outlines how state leaders may appeal to particular hegemonic masculinities in their attempt to sell wars and thereby camouflage salient political practices in the process Messerschmidt offers a fresh historical perspective on the war against Iraq over an 18 year period and he argues that we cannot truly understand this war outside of its gendered masculine and historical context *Proceedings* ,1996 **The Car Show** Nicolae Sfetcu,2014-04-27 This e book details the most interesting and important characteristics of the automobiles car maintenance styling features car body style the standard classification of the cars an history of the automobiles introduction in the automotive industry and the traffic code rules and signs An automobile usually called a car an old word for carriage or a truck is a wheeled vehicle that carries its own engine Older terms include horseless carriage and motor car with motor referring to what is now usually called the engine It has seats for the driver and almost without exception for at least one passenger The automobile was hailed as an environmental improvement over horses when it was first introduced Before its introduction in New York City over 10 000 tons of manure had to be removed from the streets daily However in 2006 the automobile is one of the primary sources of worldwide air pollution and cause of substantial noise and health effects **In Search Of The Holden Piazza**

Chris Warr, Joe Kremzer, 2006-11 It takes a strong man to resist the strange allure of a Holden Piazza and at the age of eight lying on his parents lounge room floor watching Sale of the Century Chris Warr didn't stand a chance An unhealthy obsession was born The Holden Piazza a glossy black wedge bonneted sports car was the ultimate prize of prizes on Australia's richest quiz show Unfortunately it was also frequently the butt of jokes from motoring critics and the general public alike Its launch in 1986 attracted comments such as Holden Piazza the answer to the question nobody asked and exhilarating in the hands of an experienced driver dangerous in the hands of others So it's not surprising that less than 200 new Holden Piazzas were sold in Australia and less than 80 are still on Australian roads today Chris lived with his hidden shame for over a decade until fate led to a meeting with Joe Kremzer a fellow Piazza aficionado and a dream was born Together they would go in search of the Holden Piazza indeed they would go in search of the Holden Piazza IN a Holden Piazza travelling the length and breadth of Australia seeking out owners past and present of this iconic if much maligned vehicle Their quest results in a quirky laugh out loud adventure in the tradition of Tony Hawkes Round Ireland With A Fridge and Dave Gorman A rollicking great read for all motoring tragics and anyone who likes a beer and a laugh In Search of the Holden Piazza is as Australian as pie and sauce or a beat up FJ Holden **16th International Technical Conference on the Enhanced Safety of Vehicles**, 1998
