 workbook grew out of the practices assigned for self growth and development for 1 Holistic Health Western Perspectives a
 course at San Francisco State University 2 clients and participants at the Biofeedback and Family Therapy Institute in
 Berkeley and 3 participants in peak performance training programs The goals of this workbook are to offer experiences to
 facilitate life long learning of skills to enhance health and growth We hope the reader will experience increased autonomy
 and gain self mastery skills through exercises that foster awareness and control The cascading program is based upon
 uncovering allowing and encouraging the intrinsic drive toward integration wholeness and health Each year many of our
 students report that practicing these skills has affected them deeply The program offered them pragmatic skills to master
 stress set goals and experience a deep change in their worldview and health A number of them have said that this was the
 most useful course they had taken at San Francisco State University The materials presented here are part of a course
 offered by the Institute for Holistic Healing Studies It is also a requirement for a Holistic Health Minor and fulfills a part of
 the general education requirement for integrated and interdisciplinary learning The development of this program at San
