Finding Hope Adriana J,2023-11-20 This captivating memoir is a vivid real life story and a testament to the power of fighting for freedom and achieving it Born in Romania during the communist reign Adriana faced extreme poverty and hardship Her mother was deaf and her Father deserted them both when she was only a baby To survive Adriana had to be her mother s ears and voice As a little girl she was her mom s lifeline and had to take on responsibilities that a child should have not taken

The book captures the essence of Adriana's strength and determination. This is a reminder of how important it is to honor the past and keep telling our own story. There is a strength within us greater than any storm.
