Master's Handbook on Ship's Business Tamara C. Burbach, 2021-07-27 An invaluable aid to masters of ships for more than 30 years Since the initial publication of the third edition in 2001 many substantive changes have occurred in both the legal and operational environments affecting seagoing vessels and their crews In response to these changes this book has been completely updated and been renamed to include masters on all seagoing vessels including oceangoing tugs A complete guide for the newly appointed master it is also useful to experienced masters as a checklist for the voluminous paperwork required in all phases of business aboard including shipping articles vessel documents and certificates crew lists customs and immigration requirements accounting procedures bills of lading charter parties vessel accidents and logbooks The master of a vessel is required to comply with state and federal laws that apply to the vessel and crew the laws of foreign countries when the vessel is in their waters and applicable international law Mastering the details of

these various jurisdictions can be intimidating but this handbook demystifies the regulations and states the requirements in plain language New topics in the fourth edition include vessel security communications and flag etiquette Useful appendixes give details on various agencies and contact personnel acronyms and definitions and medical evacuation and travelers insurance companies **Manuel IAMSAR: Coordination des missions** Organisation maritime internationale, Organisation de l'aviation civile internationale, 2010 IAMSAR Manual: Mobile facilities , 2003
