Moodle 2. 0 Course Conversion Ian Wild, 2011-11-17 Annotation
 Schools colleges and universities all over the world are installing Moodle but many educators arent making much use of it
 With so many features it can be a hassle to learn and with teachers under so much pressure day to day they cannot devote
 much time to recreating all their lessons from scratch This book provides the quickest way for teachers and trainers to get up
 and running with Moodle by turning their familiar teaching materials into a Moodle e learning course This book shows how
 to bring your existing notes worksheets resources and lesson plans into Moodle quickly and easily Instead of exploring every
 feature of Moodle the book focuses on getting you started immediately you will be turning your existing materials into
 Moodle courses right from the start The book begins by showing how to turn your teaching schedule into a Moodle course
 with the correct number of topics and weeks You will then see how to convert your resources documents slideshows and
 worksheets into Moodle You will learn how to format them in a way that means students will be able to read them and along
 the way plenty of shortcuts to speed up the process By the end of Chapter 3 you will already have a Moodle course that
 contains your learning resources in a presentable way But the book doesnt end there you will also see how to use Moodle to
 accept and assess coursework submissions discuss work with students and deliver quizzes tests and video Throughout the
 book the focus is on getting results fast moving teaching material online so that lessons become more effective for students
