How To Explain Your Faith:

How to Explain your Faith John Pritchard, 2014-10-16 This book addresses the fact that apologetics today needs to operate on the basis of dialogue and conversation rather than proclamation and persuasion. It will help you talk more confidently with your friends about the hope that keeps you going. And during those times when you find that you are questioning your faith, the answers and ideas here may help you come to a deeper understanding of what you really believe.

Faith Wendell Wyman Bonner Ph.D,2022-11-01 For the believer who is serious about living in the fulness of God s glory and experiencing walking in the footsteps of God this book may help you tremendously in seeing that glory manifested in you and around you Are you yearning to tap into the profound power of God inside of you Are you desperate in desiring to completely live inside of a peace that passes all understanding If so this book may be God s message to you in how to relax and melt into it You will learn in this book that faith is a lifestyle and not just a vehicle for miracles to occur in your life Faith is a lifestyle of rest and reliance on God to do everything He has promised for His children Faith is not something that you work at having it is a gift that you just relax and let do its thing However you may not have been taught to just relax and let God If not this will help you gain intellectual insight to facilitate spiritual release to walk in heavenly places in Christ Jesus Faith empowers you but what does that look like Faith emboldens you but how will you know it Faith relaxes you but how do you rest in it Faith molds you but who and what are you becoming This book will help you with scriptural answers to these questions
