

GUIDE TO WRITING A REACTION PAPER

I. SUMMARY/SYNOPSIS – What are you reacting to?

GOAL: Show that you understand the opinion, main ideas, and supporting ideas in the documentary piece you're writing about.

Identify all of the basic information about the piece, including:

- The title of the piece
- The topic or subject of the piece. In other words, tell what the piece is about in a word or a phrase.

II. ANALYSIS/EVALUATION – What are the strengths and weaknesses of the piece?

1. Answer the "w" questions, like why, why not, what, what if, what for, where, why there, who, how, when . . . Specific questions you might take up include:

- Was the piece convincing? Why or why not, specifically? Is it well-researched? Why or why not?
- Did the piece overlook or leave out anything important? What?
- Did the piece overemphasize or overprivilege anything? What?
- Is the piece one-sided, or does the piece present a balanced view?

III. YOUR REACTIONS – How do you react to the piece on a personal level? How does the piece relate to your experience?

GOAL: Share your own impressions and your own experiences with readers.

Here are some questions you might consider answering:

- Did the piece hold your interest? Why or why not?
- Did the piece bother or annoy you? Why or why not?
- What did you realize as a result of watching the piece?
- What questions does the piece raise for you – about the material, about other things?
