Brett King

How To Use Bluebird Walmart Bucks:

Breaking Banks Brett King, 2014-05-05 In the next 10 years we will see more disruption and changes to the banking and financial industry than we've seen in the preceding 100 years Brett King *Breaking Banks: The Innovators, Rogues, and Strategists Rebooting Banking* is a unique collection of interviews taken from across the global Financial Services Technology or FinTech domain detailing the stories, case studies, start-ups, and emerging trends that will define this disruption. Features the author's catalogued interviews with experts across the globe focusing on the disruptive technologies, platforms, and behaviors that are threatening the traditional industry approach to banking and financial services. Topics of interest covered include Bitcoin's disruptive attack on currencies, P2P Lending, Social Media, the Neo Banks reinventing the basic day-to-day checking account, global solutions for the unbanked and underbanked, through to changing consumer behavior. *Breaking Banks* is the only record of its kind detailing the massive and dramatic shift occurring in the financial services space today.

Get Your Travel On! Taryn White, 2016-06-15 Time or money should never be considered a barrier to pursuing travel dreams. With a little effort and planning, there are countless ways to see the world. In her comprehensive travel book, seasoned traveler Taryn White shares five easy steps and a multitude of practical tips that will help American travelers develop a personal vacation plan, choose the right budget-friendly destination, and enjoy peace of mind while visiting exciting sites around the world. White relies on her vast travel experiences to lead future vacationers on a step-by-step process that provides valuable tips on how to select an ideal seasonal destination, develop a trip wish list, conduct research to find the best deal, pack the right items, compare travel insurance options, and prepare adequately for each trip. *Get Your Travel On* is a complete guide that shares advice, tools, and tips that will make travel easier for anyone ready to take a break from day-to-day stress and satisfy their wanderlust.

The Evolution of Money David Orrell, Roman Chlupatý, 2016-06-14 The sharing economy's unique customer-to-company exchange is possible because of the way in which money has evolved. These transactions have not always been as fluid as they are today, and they are likely to become even more fluid. It is therefore critical that we learn to appreciate money's elastic nature as deeply as do Uber, Airbnb, Kickstarter, and other innovators, and that we understand money's transition from hard currencies to cryptocurrencies like Bitcoin if we are to access their cooperative potential. *The Evolution of Money* illuminates this fascinating reality, focusing on the tension between currency's real and abstract properties and advancing a vital theory of money rooted in this dual exchange. It begins with the debt tablets of Mesopotamia and follows with the development of coin money in ancient Greece and Rome, gold-backed currencies in medieval Europe, and monetary economics in Victorian England. The book ends in the digital era with the cryptocurrencies and service providers that are making the most of money's virtual side and that suggest a tectonic shift in what we call money. By building this organic time line, *The Evolution of Money* helps us anticipate money's next transformative role.
