Organizations use inception reports to account for progress on particular projects or jobs after activity has begun. Although not all projects require inception reports, their use is particularly recommended for complex or high-budget

Purpose and Sample of an Inception Report

The inception report is prepared by the person or persons who will be evaluating the project and its progress. The evaluators establish the conceptual framework of the evaluation, including important evaluation questions, data sources, sampling and key indicators.

You can use the inception report World Bank format, accepted as a standard throughout the world, or the inception report ADB format, which is readable with Ability Database software when it is necessary to use files containing
