## How To Install Lightroom 5 Presets:

*The Adobe Photoshop Lightroom 5 Book for Digital Photographers* Scott Kelby, 2013-07-17 Since Lightroom 1.0 first launched Scott's Kelby's *The Adobe Photoshop Lightroom Book for Digital Photographers* has been the world's #1 best selling Lightroom book it has been translated into a dozen different languages and in this latest version for Lightroom 5 Scott uses his same award winning step by step plain English style and layout to make learning Lightroom easy and fun Scott doesn't just show you which sliders do what every Lightroom book will do that Instead by using the following three simple yet brilliant techniques that make it just an incredible learning tool this book shows you how to create your own photography workflow using Lightroom Throughout the book Scott shares his own personal settings and studio tested techniques Each year he trains thousands of Lightroom users at his live seminars and through that he's learned what really works what doesn't and he tells you flat out which techniques work best which to avoid and why The entire book is laid out in a real workflow order with everything step by step so you can begin using Lightroom like a pro from the start What really sets this book apart is the last chapter This is where Scott dramatically answers his #1 most asked Lightroom question which is Exactly what order am I supposed to do things in and where does Photoshop fit in You'll see Scott's entire start to finish Lightroom 5 workflow and learn how to incorporate it into your own workflow Plus this book includes a downloadable collection of some of the hottest Lightroom Develop module presets to give you a bunch of amazing effects with just one click Scott knows first hand the challenges today's digital photographers are facing and what they want to learn next to make their workflow faster easier and more fun He has incorporated all of that into this major update for Lightroom 5 It's the first and only book to bring the whole process together in such a clear concise and visual way Plus the book includes a special chapter on integrating Adobe Photoshop seamlessly right into your workflow and you'll also learn some of Scott's latest Photoshop portrait retouching techniques and special effects which take this book to a whole new level There is no faster more straight to the point or more fun way to learn Lightroom than with this groundbreaking book **Tony Northrup's Adobe Photoshop Lightroom 5**

**Video Book: Training for Photographers** Tony Northrup, 2014-11-26 Combining the benefits of video training and book learning Tony Northrup's *Lightroom 5 Video Book* gives you over 12 hours of video and 250 pages of written content When you can set aside the time start the videos on a smartphone tablet or PC and work alongside Tony Chelsea in Lightroom When you'd rather learn away from your PC or you just want to quickly look something up search the eBook or flip through the paperback book to find the information you need Similar video training costs well over 120 or more or worse requires you to pay a monthly membership fee that might cost you thousands Similar books cost over twice this amount You also get over 150 Lightroom presets which usually cost more than 100 and access to our private Lightroom group on Facebook so you can ask questions and get feedback Tony covers every aspect of Lightroom in depth but structures his teaching so that both beginner and advanced photographers can learn as efficiently as possible If you just want a quick start you can simply watch

the first video or read the first chapter and you'll be organizing and editing your pictures in less than an hour. If you want to know more about a specific feature, switch to that video or flip to that chapter in the ebook. If you want to know everything about Lightroom, watch the videos and read the book from start to finish.
