

Reasons employees would want to leave their jobs:

How To Report Bad Work Environments

Debra King, Gabrielle Meagher

How To Report Bad Work Environments:

Paid Care in Australia Debra King, Gabrielle Meagher, 2009 Care for Australia's children and elderly is provided in a mixed economy in which for profit providers are playing an increasingly important role alongside more traditional government and non government organisations Does the growth of for profit provision affect the quality of services or of jobs in paid care Does it change the political dynamics of the social care sector in contemporary welfare states How might service users their families and organisations work together to sustain and improve the quality of care services What theories and evidence help us to understand the process and consequences of the shift toward for profit provision of social care In nine chapters by leading researchers this book explores these and other questions to inform policy and practice in this key field of social policy

The Handbook of Dealing with Workplace Bullying Anne-Marie Quigg, 2016-03-03 The topic of workplace bullying and abuse gained considerable public and media attention during 2013 when the scandal of events at the BBC was unveiled following an enquiry led by Dinah Rose QC The Handbook of Dealing with Workplace Bullying edited by Dr Anne Marie Quigg presents the collective wisdom and knowledge of a number of lawyers management experts and academics from around the world The key themes include understanding the law in each country represented and the responsibilities of individuals as well as management teams and governors in organizations New case studies are supplied by people working with and within HR teams who have professional experience of dealing with the issue as well as practical suggestions that are of use to managers to people accused of bullying and also to people who find they are targets of bullying Dr Quigg summarizes the range and scope of the contributions by the individual contributors commenting on the research findings and professional experience that informs them The book thus reflects the variety of options for dealing with bullying that are relevant in different parts of the world and focuses on advice that is pertinent in real life rather than presenting a collection of academic theories

OECD Guidelines on Measuring the Quality of the Working Environment OECD, 2017-11-23 This publication presents an internationally agreed set of guidelines for producing more comparable statistics on the quality of the working environment a concept that encompasses all the non pecuniary aspects of one's job and is one of the three dimensions of the OECD Job Quality framework

Ethics, Politics, and Whistleblowing in Engineering Nicholas Sakellariou, Rania Milleron, 2018-11-09 The aim of this book is to generate a strong operational ethic in the work of engineers from all disciplines It provides numerous examples of engineers who sought to meet the highest ethical standards risking both professional and personal retaliations In short it presents the fields of engineering ethics in the context of actual conflict situations on the job and points to an urgent need for a strong ethical framework for the profession This book is about engineering students and practitioners truly understanding valuing and championing their wider critical role Ralph Nader the consumer advocate and champion of engineers wrote the preface Presents various viewpoints which hail from a wide variety of disciplines in the engineering science and technology communities Includes a mix of historical and

contemporary examples a list of relevant television series and documentaries for engineers as well as links to informative websites for practicing engineers and engineering students Examines engineering professionalism as related to the imperative of sustainable development Provides numerous examples of corporate whistleblowing and ethical dilemmas in engineering Includes a foreword written by consumer advocate Ralph Nader

Legal Issues Across Counselling & Psychotherapy Settings Barbara Mitchels,Tim Bond,2011-09-15 This fourth book in the authoritative BACP Legal Resources for Counsellors Psychotherapists series provides practical examples and applications of the law as it applies to therapists in the many different contexts of their work Helping practitioners move between different practice settings the book explores how the legal framework within which they work varies across contexts It introduces practitioners to the statutory structure and obligations of different types of counselling and psychotherapy services setting out implications for practice such as liability and accountability Work settings covered include o Private practice o Commercial organisations Employee Assistance Programmes o Voluntary sector o Government Health settings NHS primary and secondary o Private Health settings primary and secondary o Education Schools FE HE o Social services o Police and Home Office For each setting the book considers the statutory basis how the legal framework impacts on services to clients systemic issues such as bullying or prejudicial discrimination responsibility for decision making and the restrictions and empowerment of therapists and clients within the context of that setting This book is an essential reference for counselling practitioners working across a range of practice settings including those with portfolio careers It is also important reading for all those studying counselling psychotherapy or clinical psychology

Modelling the Stress-Strain Relationship in Work Settings Meni Koslowsky,2008-02-20 Meni Koslowsky presents here for the first time a way of modelling stress strain that will enable researchers to both assess examples from the literature and correctly define and use the model in their own investigations All stages from construction of the model to data analysis are covered along with possible pitfalls This book enables investigators to develop and test models for describing stress phenomena in their own settings It provides an essential research tool for all those who assess stress and strain in their working lives

Practical Ethics Henry Sidgwick,1998 A classic work in the field of practical and professional ethics this collection of nine essays by English philosopher and educator Henry Sidgwick 1838 1900 was first published in 1898 and forms a vital complement to Sidgwick s major treatise on moral theory *The Methods of Ethics* Reissued here as Volume One in a new series sponsored by the Association for Practical and Professional Ethics the book is composed chiefly of addresses to members of two ethical societies that Sidgwick helped to found in Cambridge and London in the 1880s Clear taut and lively these essays demonstrate the compassion and calm reasonableness that Sidgwick brought to all his writings As Sidgwick explains in his opening essay the societies he addressed aimed to allow academics professionals and others to pursue joint efforts at reaching some results of value for practical guidance and life Sidgwick hoped that members might discuss such questions as when if ever public officials might be justified in lying or in breaking promises whether

scientists could legitimately inflict suffering on animals for research purposes when nations might have just cause in going to war and a score of other issues of ethics in public and private life still debated a century later This valuable reissue returns Practical Ethics to its rightful place in Sidgwick s oeuvre Noted ethicist Sissela Bok provides a superb Introduction ranging over the course of Sidgwick s life and career and underscoring the relevance of Practical Ethics to contemporary debate She writes Practical Ethics the last book that Henry Sidgwick published before his death in 1900 contains the distillation of a lifetime of reflection on ethics and on what it would take for ethical debate to be really of use in the solution of practical questions This rich engaging work is essential reading for all concerned with the relationship between ethical theory and practice and with the questions that have driven the study of professional ethics in recent years
