technical publications for your classic motorcycle or automobile as many of the reprints found on internet websites are from

bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more

than poor quality digital or comb bound photocopies that are scanned or printed complete with greasy pages and

thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often

advertised for the incorrect series and or model years However VelocePress com has been publishing reprints of motorcycle

and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you

are purchasing a quality product **Training Manual for Juniors and Champions** Roland Arréhn,1978
