Jommi, Donatella Sterpi**

Jsc 2015 English Suggestion:

Multinationals and the Constitutionalization of the World Power System Jean-Philippe Robe, Antoine Lyon-Caen, Stéphane Vernac, 2016-06-03 This collection offers a powerful and coherent study of the transformation of the multinational enterprise as both an object and subject of law within and beyond States The study develops an analysis of the large firm as being a system of organization exercising vast powers through various instruments of private law such as property rights contracts and corporations The volume focuses on the firm as the operational unit of governance within emerging systems of globalization whilst exploring in depth the forms within which the firm might be regulated as against the inhibiting parameters of national law It connects through the ordering concept of the firm in globalization the distinct regimes of constitutionalization national and international law The study will be of interest to students and academics in globalization and the regulation of multinational corporations as well as law economics and politics on a global scale It will also interest government leaders and NGOs working in the areas of MNE regulations

Internal Erosion in Earthdams, Dikes and Levees Stéphane Bonelli, Cristina Jommi, Donatella Sterpi, 2018-08-31 This book gathers the peer reviewed contributions presented at the 26th Annual Meeting of the European Working Group on Internal Erosion in Embankment Dams Levees and Dikes and their Foundations EWG IE held in Milano Italy on 10 13 September 2018 The meeting served as a fertile platform for discussion sharing sound knowledge and introducing novel ideas on issues related to soil internal erosion in water retaining structures The contributions encompass various aspects of laboratory techniques and findings modelling and design criteria as well as prevention measures and field assessment The book is a valuable up to date tool that provides an essential overview of the subject for scientists and practitioners alike and inspires further investigations and research

Related Party Transactions and Corporate Groups Ivan Romashchenko, 2020-03-06 In a market environment where economic actors conduct themselves as diligent and conscientious managers the regulation of related party transactions RPTs would be largely irrelevant Unfortunately the corporate reality is far from an ideal world that is innocent of market abuse and corporate fraud It remains necessary to protect minority shareholders from the wrongdoings of majority shareholders and to protect all shareholders from opportunistic managerial behaviour This timely book the first on the subject since implementation of the European Union's EU's revised Shareholders Rights Directive provides in depth analysis of how and to what extent RPTs are covered by existing legal requirements on capital protection and corporate group regulation highlighting experiences and strategies adopted in Germany Poland and the Netherlands as examples for Eastern European countries and in particular Ukraine Beyond his comparative analysis of the current status the author offers recommendations for more effective handling of RPTs investigating such aspects as the following what constitutes a corporate group and how group issues are regulated in the various legal systems what constitutes a conflict of interest originating in ownership and control and what types of such conflicts occur whether RPTs within corporate groups should

receive special treatment relative to transactions outside groups combatting corporate raiding most often carried out through illegal seizure of corporate assets approval and disclosure requirements for RPTs and how information about RPTs is disclosed publicly Drawing on resources including legislation case law scholarship and intensive discussions with practicing lawyers from several jurisdictions the author underscores the imperative of establishing limitations and requirements that oblige a company's officers shareholders and other potential related parties to follow certain rules whenever they wish to enter into an RPT As a contribution to the debate about the convergence between EU corporate law and that of major eastern European states the book has no peers Practitioners in both East and West who advise on compliance with regulations for RPTs or represent stakeholders interests against abusive RPTs will ensure appropriate remedies and protection mechanisms for their clients
