Julius Caesar William Shakespeare,2004-04-08 The First Folio of 1623 is the definitive edition of Shakespeare s plays It is more often than not the closest we can now get to what Shakespeare actually wrote But the Folio s antiquated typography and cramped layout make it remote and inaccessible to modern eyes The Shakespeare Folios on the other hand offer easy access directly to the First Folio by presenting the text in modern type but otherwise unchanged All the First Folio s idiosyncrasies of layout and spelling even its obvious errors have been scrupulously left intact but the text suddenly becomes as easily legible as the script of any modern play As an additional aid to understanding readers will find printed opposite each page of the Folio the very same passage in a modern edition So whenever the Folio presents a problem the reader can refer to this parallel text for a solution either in the text itself or in the set of notes at the end of the book These notes draw

on the long tradition of Shakespearean scholarship and include full reference to surviving Quarto texts **BOOK JACKET** A *Companion to Julius Caesar* Miriam Griffin, 2015-05-04 A *Companion to Julius Caesar* comprises 30 essays from leading scholars examining the life and after life of this great polarizing figure Explores Caesar from a variety of perspectives military genius ruthless tyrant brilliant politician first class orator sophisticated man of letters and more Utilizes Caesar's own extant writings Examines the viewpoints of Caesar's contemporaries and explores Caesar's portrayals by artists and writers through the ages *Julius Caesar and the Transformation of the Roman Republic* Tom Stevenson, 2014-10-30 *Julius Caesar and the Transformation of the Roman Republic* provides an accessible introduction to Caesar's life and public career It outlines the main phases of his career with reference to prominent social and political concepts of the time This approach helps to explain his aims ideals and motives as rooted in tradition and demonstrates that Caesar's rise to power owed much to broad historical processes of the late Republican period a view that contrasts with the long held idea that he sought to become Rome's king from an early age This is an essential undergraduate introduction to this fascinating figure and to his role in the transformation of Rome from republic to empire **Integrating Literature in the Content Areas** Sharon Kane, 2017-05-12 This practical accessible resource will help future and practicing teachers integrate literature into their middle school or high school classrooms while also addressing content area standards and improving the literacy skills of their students Two introductory chapters are followed by five chapters that each cover a different genre Chapter 3 Informational Books Chapter 4 Fiction Chapter 5 Biography Autobiography and Memoir Chapter 6 Poetry and Chapter 7 How to and Hands on Books Each genre chapter consists of four parts Part 1 Discusses the genre and how content area teachers can use books within that genre to further content learning and enhance literacy skills Part 2 Offers hands on instructional strategies and activities using literature with activities for use in a variety of disciplines Part 3 Presents individual author studies three or four per chapter with bibliographies and guidelines for using the authors books in content area courses Part 4 Features an annotated bibliography of specially selected children and young adult literature for that genre organized by content area The annotations provide information about the book which can be used to prepare booktalks and teaching ideas for using in a specific content area Altogether these sections contain more than 600 annotated entries tabbed by subject area including art English language arts languages and culture math and technology music PE health science and social studies history **Julius Caesar Master of Surprise** Rose Williams, 2013-12-12 This engaging read presents a student friendly overview of the life and accomplishments of Julius Caesar with special emphasis on his family background and early life The biography is based not only on the traditional sources Suetonius and Plutarch but also on the private correspondence and observation of Caesar's contemporaries both his friends and his enemies Based on these sources the book demonstrates that Caesar was a very determined individual who developed and largely managed to execute a series of original responses to the unique situations of his times *Julius Caesar Master of Surprise* is a must have title for all high school Latin programs

Julius Caesar Simon Elliott, 2019-12-17 A look at the remarkable military career of ancient Rome's most celebrated leader Born into an aristocratic family Julius Caesar has been an inspiration to countless military commanders over the past two millennia His early military campaigns part of his progression along the *cursus honorum* ranged from the East to Spain to the early Roman civil wars His participation in the Gallic Wars as well as his incursions into Britain are known mainly through his own published commentary on said events Written by a prominent historian and archaeologist this concise volume details Caesar's military life and the role it played in his political career From his youth through the civil wars that resulted in his becoming the dictator of Rome Caesar has left a remarkable legacy

Julius Caesar Richard A. Billows, 2008-11-28 Julius Caesar offers a lively engaging and thoroughly up to date account of Caesar's life and times Richard Billows dynamic and fast paced narrative offers an imaginative recounting of actions and events providing the ideal introduction to Julius Caesar for general readers and students of classics and ancient history The book is not just a biography of Caesar but an historical account and explanation of the decline and fall of the Roman Republican governing system in which Caesar played a crucial part To understand Caesar's life and role it is necessary to grasp the political social and economic problems Rome was grappling with and the deep divisions within Roman society that came from them Caesar has been seen variously as a mere opportunist a power hungry autocrat an arrogant aristocrat disdaining rivals a traditional Roman noble politician who stumbled into civil war and autocracy thanks to being misunderstood by his rivals and even as the ideal man and pattern of all virtues Richard A Billows argues that such portrayals fail to consider the universal testimony of our ancient sources that Roman political life was divided in Caesar's time into two great political tendencies called *optimates* and *populares* in the sources of which Caesar came to be the leader of one the popularis faction Billows suggests that it is only when we see Caesar as the leader of a great political and social movement that had been struggling with its rival movement for decades and had been several times violently repressed in the course of that struggle that we can understand how and why Caesar came to fight and win a civil war and bring the traditional governing system of Rome to an end

The Landmark Julius Caesar Kurt A. Raaflaub, 2019-02-05 The Landmark Julius Caesar is the definitive edition of the five works that chronicle the military campaigns of Julius Caesar Together these five narratives present a comprehensive picture of military and political developments leading to the collapse of the Roman republic and the advent of the Roman Empire The Gallic War is Caesar's own account of his two invasions of Britain and of conquering most of what is today France Belgium and Switzerland The Civil War describes the conflict in the following year which after the death of his chief rival Pompey and the defeat of Pompey's heirs and supporters resulted in Caesar's emergence as the sole power in Rome Accompanying Caesar's own commentaries are three short but essential additional works known to us as the Alexandrian War the African War and the Spanish War These were written by three unknown authors who were clearly eyewitnesses and probably Roman officers Caesar's clear and direct prose provides a riveting depiction of ancient warfare and not incidentally a persuasive portrait for the Roman

people and for us of Caesar himself as a brilliant moderate and effective leader an image that was key to his final success Kurt A Raaflaub's masterful translation skillfully brings out the clarity and elegance of Caesar's style and this together with such Landmark features as maps detailed annotations appendices and illustrations will provide every reader from lay person to scholar with a rewarding and enjoyable experience With 2 color text maps and illustrations throughout web essays available at <http://www.thelandmarkcaesar.com> *All Things Julius Caesar* Michael Lovano,2014-12-02 Julius Caesar's life and example have fascinated and motivated generations of people for nearly 2 000 years This book explores the people places events and institutions that helped define arguably the most famous individual in the history of Rome Far from being ancient history Roman history and culture from the time of Julius Caesar and the Roman Empire have surprising parallels with the political strife and societal issues in 21st century life Interest and awareness have also been bolstered by recent successful Hollywood films as well as television series that depict Roman history All Things Julius Caesar An Encyclopedia of Caesar's World and Legacy provides a unique reference on topics and themes related to the life and times of Julius Caesar It offers historically accurate information about what he did and did not do and examines his impact on later eras via images and idealized depictions of him popularized in literature and other media up to the present The approximately 200 entries in this two volume set are organized alphabetically according to topic or theme for example individuals such as Marc Antony places such as the province of Gaul events such as Roman elections or battles in the Civil War and institutions such as Roman classes slavery patrons and clients The entries cover all the territories of the Roman Empire during Caesar's time from Britain to Egypt The set includes primary documents such as excerpts from ancient letters essays and biographies and supplements the text with images and maps The bibliography provides print and electronic resources suitable for high school and college student research as well as further reading for general audiences *Julius Caesar* Patricia Southern,2018-04-15 A monumental new life of Ancient Rome's most illustrious complex and legendary leader Julius Caesar **Julius Caesar and the Roman People** Robert Morstein-Marx,2021-08-26 Reinterprets Julius Caesar not as an autocrat seeking to overthrow the Roman Republic but as an unusually successful political leader **The Roman Empire** Martyn Whittock,Martyn John Whittock,1991 A wide choice of Study Units to let you build the course you want *The Development of Virgil's Art* Henry Washington Prescott,1927 **WJEC Eduqas GCSE History: The Elizabethan Age, 1558-1603 R.** Paul Evans,2016-10-17 Bring out the best in every student enabling them to develop in depth subject knowledge and historical skills with the market leading series for WJEC Eduqas fully updated for 2016 to help you navigate the new content and assessment requirements with ease Maps the content against the key questions in the 2016 specification with thorough and reliable course coverage written by a team of experienced authors teachers and examiners Motivates students to increase their subject knowledge by following a clear detailed narrative that leads learners topic by topic through the important issues events and concepts Progressively builds historical understanding and skills as students work through a
