Fuel lines, hoses and connections				I				I
Drive belts (First 48,000 miles, then every 8,000 miles) ³						I		

QUICK TIP

Check your Maintenance Schedule or schedule an appointment with a dealer using your UVO link account by logging into your Kia Access with UVO App or your account on <https://owners.kia.com/> (Vehicles equipped with UVO only - See page 32 for setup information)

* See the Owner's Manual for complete maintenance schedule. These are approximate estimated intervals. Refer to vehicle mileage for maintenance item schedule.

¹ And, if necessary, adjust, correct, clean or replace I if equipped

1. If TOP TIER detergent gasoline is not available, one bottle of additive is recommended. Additives are available from your authorized Kia dealer along with information on how to use them. Do not use other additives.

2. Both the fuel filter & fuel tank air filter are generally considered to be maintenance free, depending on fuel quality being used. However, periodic inspection is recommended. If your vehicle is having issues like fuel flow restriction, power surging, loss of power, difficulty starting, etc., replace the fuel filter immediately and consult an authorized Kia dealer for service.

3. Inspect for excessive lapid noise and/or engine vibration and adjust if necessary

4. The drive belt should be replaced when cracks occur or tension is reduced excessively

See your Owner's Manual for more details and complete maintenance information, including severe maintenance schedule. Warranty may be voided if maintenance schedule is not followed.
