Lessons from the Bible's Lesser Knowns lee a. coppock, 2024-03-26 This offering is a compilation of lesser known Bible characters their stories and life examples taken from each The format makes it even easier to digest and will keep the reader looking for what is next Each entry is structured the following way the honoree for each chapter is identified along with the number of verses that s he appears in the Bible the Backstory or the general context that gives rise to the events surrounding the lesser known s application to daily life and living the related scripture forming the basis for the lesson s to be considered a cite or cites for further Scriptural study on this individual the big one A related set of takeaways for application Each is carefully drafted to comport with the Scriptures and footnotes citing proofs that can be readily accessed by those who are interested in deeper study There are important life lessons exhibited by somewhat obscure Bible characters

that are unaddressed in any other offering A review of available topics in bookstores or a search for offerings online will show that there are many opportunities to learn from the Bible s better known characters Examples of those would include Adam and Eve Noah Abraham Ruth David Peter the apostle Paul and many others While one may presume that hours spent learning from those examples are well spent there are within God s Word so many other accounts of individuals lesser known men and women Recognizing and applying the truth of 2 Timothy 3 16 All Scripture is God breathed and is useful for teaching it follows that among the many lesser known Bible characters there are also valuable examples from which we might learn An opportunity to do just that is what one may expect from these pages and no others

Grace Small, 2013 God s Chosen Understanding Spiritual Warfare is a book that inspires encourages and teaches Christians to effectively manage warfare and live victoriously for Christ It offers Christians a fresh look at the basis of putting on God s full armor and learning to use the means God affords namely His strength and mighty power As Believers prepare to fight triumphantly against evil and wicked forces we come to an understanding of the challenge purpose and outcome of spiritual warfare Putting on God s armor and standing firm in Him amply equips us to fight offensively and defensively Knowing Jesus fixed the fight in our favor produces confidence to oppose the enemy and remain faithful to God Through conscious engagement in this fight we win against all odds In 2005 during prayer the Holy Spirit inspired me to write this book on spiritual warfare I was going through a precarious time and as usual I sought God in prayer and study of the Word The Holy Spirit led me to Ephesians 6 10 18 As I studied and meditated God moved me to begin writing on the subject of warfare During research and study I discovered there are not enough books addressing this phase of our journey Therefore I saw the need to press through varied attacks to produce this important work **The Christian Advocate** ,1924
