Hindered But Not Defeated Ed Gaskin, 2014-12-23 This is the second book in the Latanya series The first book Latanya A Story of Gangs Girls and Guns became a best seller reaching 10 The happy ending of the first book is short lived because while Latanya was in the hospital and rehab she did not have to worry about the dangers or the temptations of being on the street That reality is over and is about to slap her hard Latanya a newly released ex convict hustler former gang banger is trying to go straight but has too many convictions too many bills and too little education and money Latanya faces an uphill battle to turn her life around and not get burned out watching too many young men and women make fatal mistakes For Latanya temptation to return to the old easy life of fast money is everywhere Can she resist temptation be a role model for her daughter and the girls and perhaps help them make different choices so they don't lose their freedom or their lives Released from rehab and newly recovered from near fatal gunshot wounds Latanya returns home to find herself evicted Her criminal record CORI makes it impossible to find a job or a place to stay and she's forced to take refuge in a homeless shelter The pastor from a local church sees Latanya is trying to do the right thing and asks one of his members to take Latanya in so she doesn't have to stay in the shelter However the old woman hates women like Latanya and is very mean to her and treats her like a child Latanya goes to speak to the principal to get support for the girls program she started The principal realizes Latanya has some of the worst girls in the school in her writing program and decides to make a deal with her If Latanya can get the girls who attend her program to not miss more than 17 days of school or drop out Latanya will get 2 000 Getting the girls on her side is difficult and slow Things are going OK until the girls find out Latanya is getting paid to keep them in school and the girls feel she is using them just like everyone else So the girls stop coming to school Latanya reaches a breaking point when she goes to talk to Kevin about her bad day and her friend Kevin is killed in a drive by while talking to an old friend Unable to resist temptation Latanya accepts some crack from a friend and gets high to dull her pain Soon after Latanya's parole officer PO demands she take a random drug test Knowing she'll fail the test she begs for one more chance knowing a violation of her probation could lead her back to prison to finish her sentence Her PO says he'll give her one chance but requires her goes to Al Anon She agrees and meets a physician named David at the meeting and the two bond through their recovery Despite her problems Latanya must keep her troubled girls from dropping out because their future depends on staying in school Will she beat the odds and turn her life around as well as the lives of her girls Purpose Through Latanya Hindered but Not Defeated viewers will experience the difficulties convicted felons have in rebuilding their lives after being in jail particularly when they don't have an education and must start from scratch The story showcases the unheard voices of the women who are the girlfriends sisters and mothers of gang members It is the expectation that viewers especially tweens teens and young women will learn from Latanya's story and her problems as an ex convict and that viewers won't make the same mistakes after they experience Latanya's story Through My Eyes Latonya Fordham, 2025-06-24

From a young age I always had a special place in my heart for children Growing up in metropolitan Detroit my childhood was marked by the shadows of abuse and neglect The love I so desperately needed was often out of touch but it ignited a deep desire to give it to others I vowed that one day I would create a safe and nurturing environment for children filled with the affection I rarely received At sixteen my world was turned upside down when I was forced to drop out of school The challenges of teenage pregnancy and the weight of depression and anxiety made it difficult to continue my education But even in those darkest moments my love for children remained unwavering I knew that my journey was far from over and I was determined to find a way to provide for my child and to give them the love and protection I had never known Years passed and I faced many obstacles along the way Despite the hardships I never lost sight of my dream I eventually returned to school and graduated albeit later than most The sense of accomplishment was profound and it fueled my determination to create a better life for my family Throughout my life I have always loved everyone s children as if they were my own My heart bigger than Texas has been a source of strength and compassion Whether it was taking care of neighborhood kids volunteering at local schools or simply offering a listening ear I found joy in nurturing and supporting the young souls around me My home became a haven for children a place where they could feel safe loved and valued Despite having my own children my love and care extended far beyond my immediate family I embraced the role of a caregiver offering support and guidance to those in need Each child I encountered became a part of my heart and their well being was my priority The bonds I formed with these children were a testament to the love and compassion that drove me forward My journey has been one of resilience and determination From the challenges of teenage pregnancy to the struggles of returning to school I have faced many obstacles But through it all my love for children has remained a constant source of strength This love has shaped me into the person I am today and is the driving force behind my writing As I continue to share my story I hope my experiences will inspire others to find their strength and never give up no matter how difficult the journey may be My heart bigger than Texas is a reminder that we are more than the sum of our traumas and that love and compassion can guide us through even the darkest times
