The Censored Pulpit Donyelle C. McCray, 2019-10-16 Few have consoled the church as ably as the fourteenth century mystic Julian of Norwich However her prophetic gifts have received little scholarly attention Drawing on contemporary homiletical theory and the history of Christian spirituality Donyelle C. McCray presents Julian as a preacher examining the apostolic dimensions of Julian's vocation as an anchoress and highlighting the steps she took to align herself with renowned preachers like Saint Cecelia Mary Magdalene and the apostle Paul Like Paul Julian saw Jesus' body as her primary text placed human weakness at the center of her theology and used her own confined body as a rhetorical tool Yet she navigated a web of censorship that threatened to silence her To voice her convictions Julian developed a novel approach to authority and exploited the fluidity of the medieval English sermon genre McCray charts this process revealing Julian as a central personality in the history of preaching whose best contemporary parallels operate outside the pulpit in august figures like retreat leader Evelyn Underhill gospel singer Mother Willie Mae Ford Smith and street preacher Reverend Billy *It Was Always You* Rebecca Franco, 2020-07-09 After suffering years of abuse at the hands of her husband just when she thought there was no hope left Alexis is unexpectedly swept off her feet by the brooding and handsome Blake Unbeknownst to her Blake has his share of issues as well Blake's football career is flashing before his eyes due to his temper on the field Blake also felt there was no hope left and was ready to give up when he suddenly meets the woman of his dreams Together the two begin to heal each other's wounded hearts while falling passionately in love Alexis knows that Henry is a terrible person but she has no idea just what he is capable of Henry will stop at nothing to get his wife back even if it means taking any life that tries to get in his way **Reborn Phoenix's Counterattack** Bai Luoyou, 2019-12-22 Cloud falls you to cross road failure rebirth in Xuanling mainland the same name on the waste wood the family is annihilated by the snake scorpion good friend plot be deceived the man fiance that daily female affection designs cloud falls faint strong return dozen face clap pa pa

Donald G. Hartenstine (ret), 2006-11 These short stories are based on actual events The stories were developed from experiences interviews and observations of the men and women of law enforcement It must be noted that every story of humor thousands of events occur daily in law

enforcement that are serious Many dangers and dilemmas exist in the every day lives of our police officers This book was written to promote as well as inspire humor which I think all of us as human beings posses With all the seriousness trials and tribulations life s journey brings it is my belief that if we can find it within us to laugh at others and ourselves our burdens can truly be lightened In turn our lives can be more tolerable meaningful and enjoyable We must not take ourselves too seriously but we must not allow humor to be harmful to others These stories are another side of police work that some may not be totally aware of It is my hope they will give you a chuckle and offer a better understanding and appreciation of the human side of our dedicated police officers
