## Remedies - Fall 2011

The following questions have been used on previous Remedies final examinations between 1991 and 2010.

- 1) Some are valid questions and can be used again; some are flawed, but can be revised; some are too difficult or confused, or too simple, and are unlikely to be used again.
- 2) No answers or explanations are provided.
- 3) You should view the questions as raising the type of issues that will be tested in some format on the final examination.
- 4) Some topics and subjects are not covered every semester. In some instances the substantive law has changed over the years.
- 5) Other examples of multiple choice questions can be found on CALI programs or in various review books.
- 6) My questions in classes such as Civil Procedure and Professional Responsibility have been fairly uniform in their format. See examples posted on line for other courses.
