stirred again like Gumbo our experiences begin to shape who we are and who we become When the stirring is complete a comforting meal one that says no matter what has gone into the dish it s going to be amazingly magnificent The authors hope these stories will inspire and motivate girls and Women of Color to trust their experiences whether good or bad to help them become Our becoming means that after all that life has thrown our way we are strong purposeful and powerful people who are a great treasure to a world that sometimes rejects and ignores our existence Embedded in this book are stories of abuse and triumph sadness and victory disappointment and resilience discovery and victory We are very proud to be the keepers of these rich recipes They represent the first in what we hope will become a collection or series of inspirational memoirs that will be shared to help others live out their destiny and become the women they were born to be
