Lead	I had a page that showed what happened first.	I tried to make a beginning for my story.	I thought about how to write a good beginning and chose a way to start my story. Transitions	I put my pages in order.	I put her pages in order. I used words such as and, then, and so.	I told the story in order by using words such as when, then, and after.	I told my story in order by using phrases such as a little later and after that.

Organization	My story had a page for the beginning, a page for the middle, and a page for the end.	I wrote my story across three or more pages.	I wrote a lot of lines on a page and wrote across a lot of pages.	I used paragraphs and skipped lines to separate what happened first from what happened later (and finally) in her story.	
Elaboration*	My story indicated who was there, what they did, and how the characters felt.	I put the picture from my mind onto the page. I had details in pictures and words.	I tried to bring my characters to life with details, talk, and actions.	I worked to show what was happening to (and in) my characters.	40
