Christmas Story John Ruskin, 1990 Presented here for the first time is the full text of John Ruskin's Christmas Story and his related letters of interpretation in which he describes what he believes to be a mystic experience placing him under the guidance of the soul of his lost love Rose La Touche *Silverhand* Morgan Llywelyn, Michael Scott, 1996 In a fantasy land a boy is orphaned by the forces of chaos Subsequently he is attacked by werewolves who chew off his hand He is rescued by monks who make him a silver hand giving him the power to fight chaos By the authors of Last Prince of Ireland and Tales of the Bard **Encyclopedia of World Scriptures** Mary Ellen Snodgrass, 2024-10-17 From the time of human beginnings holy words chants liturgy and narratives have enabled individuals to communicate the mysteries of the universe Bodies of liturgical composition had to survive oral transmission for centuries until calligraphers could inscribe them in pictograph symbol or coded cipher or write them in words on stone mural scroll parchment or paper Through repetitions of sacred speech and writing couples enter holy wedlock infants receive consecration and blessing youths advance to adulthood rulers dedicate temporal powers to God cities pledge themselves to peace and the dead pass from an earthly existence to the afterlife The most sacred and influential writings the world has recorded are covered A Z in this compendium The entries convey works from the cities of Mecca Jerusalem Rome Delphi and Salt Lake City from caves in Qumran and mountains in Japan from the Indus Valley and the American West from classical China Egypt and Greece and from the Hebrew communities of Iberia and of the German states Although all of the scriptures speak to a human need there are many differences in style purpose and tone The entries include holy law The White Roots of Peace funeral prescriptions the Tibetan Book of the Dead ceremonies the Lakota Black Elk Speaks literature Homeric hymns hero stories the Japanese Kojiki word puzzles the koans of Zen Christ lore the Apocrypha and the New Testament matrices I Ching and Tantra and numerology the Jewish Kabbala Writing styles include both the rapture of Rumi's Mathnawi and the spare aphorism of Confucius's Analects The information given in the texts range from Muhammad's revelations in the Koran to the everyday advice of Mary Baker Eddy's Christian Science writings A map locates the germ of sacred revelation and writing in sites all over the globe A timeline of dateable events from the history of world scripture names events in chronological order from the beginnings of the I Ching in 2800 B C E to the publication of a child's version of the Popul Vuh in 1999 C E The encyclopedia is comprehensively indexed with ample cross referencing to assist researchers toward further study of print and electronic sources The Satan Trap Martin Ebon, 1976 A young woman seeks counsel from a medium and becomes a victim of the guru syndrome total dependence upon the psychic that leads to terrifying consequences when she tries to break away Another trying to advance mind control finds horror and degradation in a Manson like coven A seemingly innocent Ouija board experiment leads to possession by an unknown destructive entity These experiences are not movie scenarios or sensational newspaper headlines but documented cases of people whose innocent fascination with psychic phenomena led

them into a world where they discovered too late they had become victims of menacing forces beyond their control In this collection of twenty five articles some of which originally appeared in such journals as Tomorrow Spiritual Frontiers and Psychic magazine leading parapsychologists psychiatrists and psychologists researchers and writers tell from direct personal experience of the terrifying dangers of overinvolvement with the occult Here these widely recognized authorities warn of the all too real hold that extrasensory perception automatism reincarnation telepathy psychokinesis and out of body experiences can come to exert over people who have too carelessly or too eagerly become involved with psychic cults In recent years increasing numbers of people have been lured into paralyzing encounters with the occult The Satan Trap reveals the omnipotence of psychic forces and the very real perils of unsupervised experimentation with them front and back flaps
