Pohle, 2024-07-25 Gerhard Pohle fell in love with the water when he was a child His parents travelled widely and he spent his
formative years in Indonesia Madagascar and India along with his native Germany Snorkeling in tropical waters left the little
boy with a fascination for marine life an undertow that would keep pulling him back towards the sea This water loving child
who had only occasionally seen the inside of a classroom would eventually earn a doctorate and become a marine biologist
but it would be far from easy The journey would take another twenty years and cross five different continents It would pit
him against everything from an education system determined to discard him to a raging civil war Rejections heartbreaks
family crises and his own crumbling self esteem would test his resilience but that resilience would never run dry for long An
unvarnished inspirational coming of age story about travel and family about love friendship and loneliness about being
dismissed as not worth teaching and about learning anyway despite everything life throws at you **A Lust of the Mind**
Bernard Howell, 2012-11 Mark McGuire has the boundless curiosity of a mind without horizons He loves classical music
serious literature and history His own detailed exploration of these and associated subjects gives him a much wider
education and a more cultured outlook than far more academically successful people Mark s rise from the backstreets of
Farnmoor to the higher echelons of the Civil Service contains many set backs and wrong turnings before he eventually finds
the way forward to a successful future But success comes at a price Mark has become an outsider His restless quest for
knowledge and an understanding of the world around him has led Mark to deplore the dumbed down popular culture of
contemporary Britain He refuses to have anything to do with it His love life is a series of unsatisfactory relationships with
women who are unable to understand his individualistic philosophy Is he destined to be alone forever *Wild Winter Lust*

Lust for Liberty Samuel Kline COHN, Samuel Kline Cohn, 2009-06-30 Lust for Liberty challenges long standing views of popular medieval revolts Comparing rebellions in northern and southern Europe over two centuries Samuel Cohn analyzes their causes and forms their leadership the role of women and the suppression or success of these revolts Popular revolts were remarkably common not the last resort of

desperate people Leaders were largely workers artisans and peasants Over 90 percent of the uprisings pitted ordinary people against the state and were fought over political rights regarding citizenship governmental offices the barriers of ancient hierarchies rather than rents food prices or working conditions After the Black Death the connection of the word liberty with revolts increased fivefold and its meaning became more closely tied with notions of equality instead of privilege The book offers a new interpretation of the Black Death and the increase of and change in popular revolt from the mid 1350s to the early fifteenth century Instead of structural explanations based on economic demographic and political models this book turns to the actors themselves peasants artisans and bourgeois finding that the plagues wrought a new urgency for social and political change and a new self and class confidence in the efficacy of collective action *Love & Lust in Regency*
