

Misc. User Notes:

Included with the Magnepan SMGa speakers are two brass-colored metal badges. They are each 1.25" (3.18cm) square, about 1/8" thick, and appear to have an adhesive backing (I'm not sure how well they stick because I've never tried them). They are both wrapped in a small sealed plastic bag. Because they are made of some sort of metal, they have a nice heft to them, similar to a large coin.
