**Good Housekeeping** ,1906      **Warne's Model Housekeeper. A Manual of Domestic Economy in All its Branches** Ross Murray, 2024-04-07 Reprint of the original first published in 1882      **Snap Shots with an Old Maid's Kodak** Lucy A. Yendes, 1894      *Good Housekeeping Magazine* ,1903      *Outlook* Alfred Emanuel Smith, Francis Walton, 1898      **Maid Training** Francois Hagan, 2018-08-15 This book is written from both the mistress and her maid's views Linda Like any other tool a maid should be used to its fullest potential Down time not only makes for wasted seconds and minutes but can create a lazy maid who may feel entitled to a break extra snacks or even counted worthy of being listened to For maximum efficiency one should plan their day in the order in which they will spend it supervising them This not only allows the master or mistress more leisure time but can allow personal down time to be put to use in areas such as corset tightening or discipline By taking one's day step by step and outlining the tasks and time limits of the maid she can be kept in motion at all times from morning till night Of course breaks in her performance are expected when she eats or uses the bathroom but proper punishment for these breaks being paid for by the amount of time spent will have her eating fast and not dawdling in the bathroom Remember proper home economics is keeping your maid performing at maximum efficiency at all times Trish

When I agreed to be Linda's maid I had no idea she and her friend Betty would convert me into the most efficient maid of all work. They managed to micro manage my time so that I am used for utmost speed efficiency and quality. This means little free time. It also means an abundance of rules and discipline. My average down time is about two minutes for an entire day. This is by combining a second here and two seconds there. Linda has informed me that there is no reason I should have more than two minutes of down time per day. Anything over will be strictly punished. Author. This work does not include sexual situations. Anyone seeking such is urged to avoid this work. Anyone offended with feminization and spanking of adult males and females is urged to avoid this work.
